Title

AMENDATORY SECTION (Amending Order 1555, filed 3/1/78)

WAC 16-494-040 CONDITIONS. (1) No beans shall be planted in the regulated area which are found to be or are known to be contaminated with the aforementioned diseases.

(2) No common beans or Azuki beans (*Phaseolus angularis*) shall be shipped, transported, or moved into the regulated area for planting or after the effective date of this quarantine unless such beans are accompanied by an origin Phyto-Sanitary Certificate showing that such common beans are free from the aforementioned diseases on the basis of at least one field inspection and one windrow inspection ({}); PROVIDED, That the requirement for the windrow inspection portion of the Phyto-Sanitary Certificate requirement may be waived when:

(a) The bean seed is accompanied by an official certificate, issued by an approved testing agency stating such bean seed is free from the aforementioned diseases, based on an approved laboratory and/or greenhouse test, of a 5 pound sample from each 10,000 pounds or fraction thereof and/or any other methods approved by the director, and when:

(b) Said bean seed planted for seed increase or with intentions of seed increase shall be planted only in fields entered into either the Washington State Seed Certification Inspection Program or the Washington State Bean Seed Phyto-Sanitary Certificate Inspection Program.

(c) Said bean seed planted for harvest as green beans for cannery or freezing are not required to be entered into an inspection program. However, the department reserves the right to request complete listing and location of all such plantings and other information the department may deem necessary. Further, if for any reason it is decided that said plantings are not to be harvested as green beans the Department of Agriculture, 2015 S. 1st Street, Yakima, Washington, must be notified immediately and said plantings placed under an inspection program.

(3) The requirement for a Phyto-Sanitary Certificate will be waived for Pinto, Red Mexican, Great Northern, ((California)) Pink, Black Turtle, ((California)) Small White, and Flat Small White beans grown west of the Continental Divide, when the seed is accompanied by an official certificate, issued by an approved testing agency stating such bean seed is free from the aforementioned diseases, based on an approved laboratory and/or greenhouse test, and/or any other methods approved by the director. Each planting made from said bean seed shall be reported to the director who shall have authority to enter and inspect said field.

(4) This quarantine shall not apply to the shipment, movement, or transportation of beans prepackaged in packages of eight ounces or less for home garden use in the said regulated area if, as far as known, said beans are free of bacterial diseases.

(5) This quarantine shall not apply to experiments or trial grounds of the United States Department of Agriculture or Washington State University Experiment Station, or to any person, firm, or corporation; provided said plantings are approved by the director, and under supervision of technically trained personnel familiar with bacterial diseases.

(6) Any person prior to shipping, moving, or transporting any common beans for planting purposes into the regulated area shall forthwith notify the department of agriculture in writing of such person's intent to ship, move, or transport any common beans into said regulated area. Such notice of intent shall be accompanied by a copy of the Phyto-Sanitary Certificate issued for such common beans.
