(2) ALTERNATIVE B. Use only for Adoption of Emergency Rules.

I, C. Alan Pettibone, find that an emergency exists and that this order is necessary for the preservation of the public health, safety, or general welfare and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to public interest. A statement of the facts constituting the emergency is: An immediate increase in the fee for submitted sample inspection is necessary to defray the cost of additional certificate information needed by the grain industry and brought about by proposed Federal changes in dockage certification rules. Rapeseed inspection fees are needed to provide for official and state inspection of rapeseed for the 1986 crop. All changes are to provide for recovery of costs for 1986 harvest samples. These rules are therefore adopted as emergency rules to take effect upon filing with the code reviser.

(3) Pursuant to the requirements of RCW 34.04.026 that "every agency shall incorporate the most specific, but in no case omit all, of the following language alternatives when adopting or amending rules" fill in statement (a), (b), or (c) as appropriate:

[] (a) This rule is promulgated pursuant to RCW 22.09 and is intended to administratively implement that statute.
[] (b) This rule is promulgated pursuant to RCW which directs that the

AMENDATORY SECTION (Amending Order 1836, filed 7/2/84)

WAC 16-212-030 GENERAL PROVISIONS FOR HOURLY CHARGES.

(1) Straight time, rate per hour..... \$ 23.00

This hourly rate shall be applied on any job where the fee is not sufficient to provide revenue of \$23.00 per hour, per employee, and where no other hourly rate or fee is specified in the schedule of fees and charges. Whenever the lot size or workload is not of sufficient size to generate \$23.00 per hour, per employee, an additional fee shall be assessed so that total revenue generated is equal to the \$23.00 rate; PROVIDED, That such revenue insufficiency may be established on the basis of the average hourly revenue generated at the worksite over the Monday through Sunday work week, upon written request of the applicant for service. In the absence of such request, fees shall be assessed on a daily basis.

(2) Overtime, and night shift rate per hour..... \$ 6.00

Whenever a service is requested before or after regularly scheduled working hours, Monday through Friday, or anytime on Saturdays, Sundays or holidays, a fee of \$6.00 per hour, per employee, shall be charged in addition to the regular inspection and weighing fees.

(a) Requests for service on Saturdays, Sundays, or holidays, or for work shifts other than 8:00 a.m. to 5:00 p.m., Monday through Friday, must be received by the inspection office no later than ~~((2:00))~~ 4:00 p.m. of the last regularly scheduled working day prior to the requested service. When the request is not received by ~~((2:00))~~ 4:00 p.m., service will be provided where personnel are available, but an additional fee of \$4.00 per hour, per employee, will be assessed for that shift.

(b) Requests for service which is beyond the scope or volume normally provided at an inspection site must be received by the inspection office no later than ~~((2:00))~~ 4:00 p.m. of the last regularly scheduled working day prior to the date of the requested service in order for the department to guarantee to have adequate staff available to perform the service.

(c) Whenever an employee is called from home after regular working hours, or on a Saturday, Sunday or holiday, a minimum of two additional hours shall be charged at the rate of \$10.00 per hour and added to other fees charged.

(d) Scheduled night shifts.

At all designated inspection points, for night shifts, Monday through Friday (usually from 6:00 p.m. to 3:00 a.m.) that are, or will be, continuous for a period of one month or longer, with only an occasional work stoppage, additional overtime fees per hour will not apply ~~((~~PROVIDED, That the workload is sufficient in size so that inspection and weighing fees generated that shift will defray the department's cost of \$23.00 per hour, per employee. If not, an additional charge shall be assessed to equal \$23.00 per hour, per employee~~))~~.

(i) The department shall be given at least seven calendar days notice, in writing, to establish a scheduled night shift. If notice is not given, a fee of \$6.00 per hour, per employee, shall be assessed until the seven day notice period has elapsed.

(ii) The department shall be given at least twenty-one calendar days' notice, in writing, of cancellation of any scheduled night shift operation. If such notice is not given, a fee of \$6.00 per hour, per employee, shall be assessed for each hour under the regular night shift schedule that would have been worked until the twenty-one day notice period has elapsed.

(3) Standby rate per hour..... \$ 25.00

Whenever a service is requested before or after working hours, Monday through Friday or anytime on Saturdays, Sundays or holidays, and service cannot be performed through no fault of the department, a minimum of four hours at the standby rate of \$25.00 per hour, per employee, shall be charged. Whenever a service is requested before or after working hours or anytime on a Saturday, Sunday or holiday, and a cancellation of such request is not received by ~~((2:00))~~ 4:00 p.m. of the

last regularly scheduled working day prior to the requested service, the four hour standby charge shall be applied.

(4) Guarantee of expense. When a service is requested that requires assignment of personnel at a facility where the volume of work at the established fees may not be adequate to pay the cost of providing the service, a guarantee of the expense of providing the service may be required. These facilities may enter into agreement with the department at guaranteed staffing levels and negotiated minimum hours and unit fees.
