

RULE-MAKING ORDER  
(RCW 34.05.360)

Adm. Order 4030

CR-103 (10/1/89)

Agency: Washington State Dept. of Agriculture

- Permanent Rule
- Emergency Rule

(1) Date of adoption: June 14, 1993

(2) Purpose: Restrictions on the use of phosdrin in WAC 16-227. *219 dda*

(3) Citation of existing rules affected by this order:  
Repealed:  
Amended:  
Suspended:

(4) Authority for adoption:  
Statute: RCW 15.58 and 17.21  
Other Authority:

(5.1) PERMANENT RULE ONLY

Pursuant to notice filed as WSR \_\_\_\_\_ on \_\_\_\_\_ (date).  
Describe any changes other than editing from proposed to adopted version:

(5.2) EMERGENCY RULE ONLY

Pursuant to RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding:

Due to the loss of pesticides used to control aphids in an orchard environment, a situation now exists which will prompt the use of Mevinphos (phosdrin) which is a highly toxic pesticide. Existing product label requirements do not provide adequate protection for pesticide applicators and other workers until rules can be adopted on a permanent basis.

(5.3) Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?  
 Yes  No If yes, explain:
