

EMERGENCY
REGULATION TO EFFECT COLLECTION OF ASSESSMENT
OF THE
WASHINGTON STATE SEED POTATO COMMISSION

In order to perpetuate and manage the seed potato marketing program of the State of Washington, the following rule, regulation and control is hereby promulgated, and

NOW, THEREFORE, we, the Officers of the Board of the Washington State Seed Potato Commission do hereby make, adopt and promulgate the following:

That all assessments made and levied pursuant to the provisions of Article IV of the State of Washington Seed Potato Marketing Order of the Washington Seed Potato Commission shall be subject to collection in the following manner:

Such assessments shall become due and payable within thirty (30) days after levy of same and, if such fees are not paid within the prescribed time, the State Department of Agriculture, Division of Horticulture, may withdraw inspection or refuse to perform any inspection or certification service for the person in arrears; PROVIDED, such Horticultural Inspector in behalf of the commission may demand and collect the assessment prior to inspecting and certifying any seed potatoes for such person.

The Washington State Seed Potato Commission finds that the immediate adoption of this regulation is necessary for the preservation of the public health, safety and general welfare, in view of the increasing sums of overdue assessments and levies which must be immediately curtailed for an orderly operation of the Commission, and that observance of the statutory requirements of notice and opportunity to present views on the action herein proposed has been made.

NOW, THEREFORE, the above regulation to effect collection of assessments of the Washington State Seed Potato Commission is hereby adopted as an emergency regulation, to be effective immediately and to so remain in effect until thirty (30) days after the permanent regulation is adopted concurrently herewith becomes effective, but not to exceed ninety (90) days from the date hereof.

ACTED UPON this 3rd day of December, 1964, by the Board.

BOARD OF THE WASHINGTON STATE
SEED POTATO COMMISSION
