DEPARTMENT OF MOTOR VEHICLES

ADMINISTRATIVE ORDER NO. PL-144

The Washington State Chiropractic Disciplinary Board by virtue of the authority vested in it under chapter 34.04 RCW and Chapter 18.26 RCW having determined that persons licensed to practice chiropractic in the State of Washington are entering into contracts with patients for chiropractic care to be rendered in the future at a specific fee despite the fact this fee may have no reasonable relationship to the services actually performed. The Board further finds that this practice causes unnecessary hardship upon certain patients and that the practice has a tendency to deceive incredulous people. The Board further finds that this practice is highly unprofessional and is easily subject to fraudulent and deceptive practices upon the part of chiropractors. The Board finds that this rule is necessary for the preservation of the health, safety and welfare of the general public, and, therefore, promulgates this as an emergency rule and directs the secretary to cause this order to be filed with the Code Reviser pursuant to Chapter 34.04 RCW and Chapter 1-12 WAC after being first recorded in the order register of this agency.

APPROVED AND ADOPTED this 6th day of June, 1973.
