Dear Sir:

This letter is in reference to Washington Administrative Code Order 74-4, filed 8/8/74 in the office of the code reviser.

It is necessary in the codification of this order to change your numbering of "WAC 132S-16-083 Funding", to "WAC 132S-16-0831". This is necessary inasmuch as another "WAC 132S-16-083 Policy statement", was the same number. I chose to change the second number in the order. Please change your records accordingly and upon amending, adding or repealing sections relate accordingly.

Please refer to chapter 1-13 WAC for proper style and selection of number sequence. Please use proper subsection numbering.

Donot repeal a number when in fact they are to be amended.

If you need to discuss this change, please Call Loma Barmore - 753-6804. Enclosed are the changed sections as they will appear in Supp.#14 when published.

Sincerely,

Mrs. Loma L. Barmore
WAC Secretary
