PERMANENT RULE ONLY (Including EXPEDITED ADOPTION)

EMERGENCY RULE ONLY

- Under RCW 34.05.350 the agency for good cause finds:
- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 - (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Local contractors and the THOR Advisory committee have identified a need for more local flexibility in the use of operating subsidies. This amendment will raise the income eligibility limit from 30% to 50% of the area median (consistent with the THOR rental assistance limit) and the operating subsidies to 50% of the project's core operating budget. The funding allocations will not change. THOR contracts in 31 counties will be effective July 1, 2001. The CR-103 cannot be filed until September 24, 2001.
