Responses from applicant's references must be in hand two months before the date of the examination. Applications received after the deadline will be held for consideration for a later examination. Late responses from references will also cause the application to be held for consideration for a later examination. Those who have previously taken the examination and failed or those who qualified and did not appear for the examination are required to notify the Executive Secretary two months before the examination which they intend to take. A new application is not required where an applicant has taken the examination and failed or who has filed and failed to appear for the examination.

Any applicant holding a license as a professional
