(5.2) EMERGENCY RULE ONLY

Pursuant to RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Projections of the Board's expenditures and revenue for the Biennium, show that it's 024 account will be depleted by January, 1990. If this occurs, the Board will be operating with a negative fund balance until the fees proposed by DOL are implemented and they generate sufficient revenue to bring the fund positive again. Operating with a negative fund balance is a violation of state law.

(5.3) Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?
