AMENDATORY SECTION (Amending WSR 92-14-097, filed 6/30/92, effective 7/31/92)

**WAC 55-01-020 Schedule of benefits.** (1) The administrator shall design and from time to time may revise a schedule of benefits which shall include such physician services, inpatient and outpatient hospital services, prescription drugs and medications, proven preventive and primary care services, all services necessary for prenatal, postnatal and well-child care, and other services as determined by the administrator to be necessary for basic health care and which enrollees shall receive in return for premium payments to the ((plan))HCA and payment of required copayments. The schedule of benefits is subject to copayments, limitations and exclusions detailed in the benefit booklet. ((However, for the period beginning July 1, 1992, and ending June 30, 1993, the schedule of benefits shall not include prenatal or postnatal services for enrollees who are eligible for coverage under the medical assistance program under chapter 74.09 RCW, except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider, or except to provide any such services associated with pregnancies diagnosed by the managed care provider before July 1, 1992. The schedule of benefits may include copayments, limitations and exclusions which the administrator determines are appropriate and consistent with the goals and objectives of the plan.

(2) In designing and revising the schedule of benefits, the administrator will consider the effects of particular benefits, copayments, limitations and exclusions on access to necessary basic health care services, as well as the cost to the enrollees and to

~~the state, and will also consider generally accepted practices of the health insurance and managed health care industries.)~~

~~((3))~~ (2) Prior to enrolling in the ~~((plan))~~ BHP, each applicant will be given a complete written description of covered benefits, including all copayments, limitations and exclusions. Enrollees will also be given information on the services, providers, facilities, hours of operation, and other information descriptive of the managed health care system(s) available to enrollees in a given site.

~~((4))~~ (3) Subscribers will be given written notice by the ~~((plan))~~ HCA of any ~~((planned revisions to the benefit package and the accompanying premiums,))~~ changes in the amount and scope of benefits provided under the BHP. Such notice ~~((to))~~ will be mailed at least thirty days prior to the due date of the premium payment for the month in which such revisions are to take effect. ~~((For purposes of this provision, notice shall be deemed complete upon depositing the written revisions in the United States mail, first class postage paid, directed to the enrollee at the enrollee's last mailing address on file with the plan. The administrator will make available a separate schedule of benefits for children, eighteen years of age and younger, for those who choose to enroll only their dependent children in the plan.))~~

AMENDATORY SECTION (Amending WSR 92-14-088, filed 6/30/92, effective 7/31/92)

**WAC 55-01-030 Premiums and copayments.** (1) ~~((Each))~~ Subscribers shall be responsible for paying a monthly premium to the ((plan)) HCA, on behalf of the subscriber and all ((family)) enrolled dependents((, according to a premium schedule to be provided by the plan at the time the subscriber is enrolled by the plan)). A third party may, with the approval of the administrator, become a financial sponsor and pay all or a designated portion of the premium on behalf of any enrollee.

(2) Any co-payments required will be established initially in the contract between the HCA and the MHCS and will be detailed in the benefit booklet. Premiums are based on the subscriber's gross family income, the total number of people in the family, and the age of each enrollee. The benefit booklet shall specify the terms of payment and notice requirement for changes in the premium. ((The amount of premium payable by any subscriber will be based upon the subscriber's gross family income and rates payable to participating managed health care systems, and may vary with the number and ages of individuals enrolled from a given family. A third party may, with the approval of the administrator and through a mechanism

acceptable to the administrator, pay the premium on behalf of any enrollee. Premium amounts payable shall be a monthly dollar payment or a percentage of the total rate payable by the plan. A statement of the monthly amount due will be mailed to the subscriber upon determination of eligibility for the plan.

(2) Based on the information provided by an enrollee on the application for enrollment, and any other information obtained by the plan, the enrollee will be informed of the premium amount due. The plan will notify subscribers in writing of any revisions to the premium schedule or to the premium amounts payable to the plan, such notice to be mailed at least thirty days prior to the due date of the premium payment for the month in which such revisions are to take effect, except that retroactive enrollment of a newborn or newly adopted child (as provided in WAC 55-01-050(6)) may result in a corresponding retroactive increase in premium payable to the plan. For purposes of this provision, notice shall be deemed complete upon depositing the written revisions in the United States mail, first class postage paid, directed to the enrollee at the enrollee's last mailing address on file with the plan.

(3) Once the plan has determined that a subscriber and members of the subscriber's family (if any) are eligible for enrollment, the plan will bill the subscriber for the family's first month's premium. The subscriber and family members will not be eligible to receive covered services on the effective date of enrollment specified by the plan unless the premium bill is paid in full by the due date specified on the bill. Thereafter, the plan will bill each subscriber monthly, and the subscriber shall be responsible for payment of the billed amount in full by the date specified on the bill.

(4) Premium bills must be paid in full by the date specified on the bill. Payment may be made in person at the plan's administrative office in Olympia, Washington, or by mail to the address specified on the bill. If the plan does not receive payment in full of a premium bill by 5:00 p.m. on the date specified on the bill, the plan shall issue a notice of delinquency to the subscriber, at the subscriber's last address on file with the plan, requiring payment in full by a date not less than ten days from the date of the notice. If full payment is not received by the date specified in the delinquency notice, the subscriber and enrolled family members will be disenrolled effective the first day of the month following the last month for which full premium payment was received by the plan. Partial payment of premiums due will be regarded as nonpayment. The plan may disenroll a subscriber and enrolled family members in the event that the subscriber receives more than two delinquency notices in a twelve-month period.

((5)) (3) Enrollees shall be responsible for paying any required copayment, (directly to the provider of a covered service, unless the enrollee has been instructed by his or her managed health care system or the plan to make payment to another party. Copayments must be paid in full by the enrollee at the time of

service.)) Failure to pay a required copayment in full at the time of service may result in the denial or rescheduling of that service by the managed health care system. Repeated failure to pay copayments in full on a timely basis may result in disenrollment, as provided in WAC 55-01-060(2).

AMENDATORY SECTION (Amending Order 88-001, filed 12/2/88)

**WAC 55-01-040 Eligibility.** (1) To be eligible for enrollment in the plan, an individual must:

- ~~(b) Not be eligible for medicare;))~~ Not be eligible for medicare;

(b) At the time of enrollment, not have or not have voluntarily relinquished health insurance more comprehensive than that offered by the BHP based upon a determination by the administrator. Factors which may be considered in determining whether insurance is more comprehensive include, but are not limited to, enrollee's current benefit plan and the associated co-pays, co-insurance, deductibles and benefit exclusions;

(c) Reside within the service area of a ~~((participating))~~ managed health care system; and

(d) ~~((Have a gross family income at the time of enrollment that does not exceed two hundred percent of the federal poverty level as adjusted for family size and determined annually by the Federal Department of Health and Human Services.))~~ If subsidized and if requested by the administrator, provide proof that a Medicaid eligibility determination has been completed within the last thirty days, including the results of that determination.

Persons not meeting all of these criteria (with the exception of (b)), at the time of initial application, as evidenced by information submitted on the application for enrollment or otherwise obtained by the ((plan))HCA, will not be enrolled. Criterion (b) must be met at the time of enrollment. An enrollee who subsequently fails to meet all of the criteria, or is later determined to have failed to meet all of the criteria at the time of enrollment, will be disenrolled from the ((plan))BHP as provided in WAC 55-01-060(—except that an enrollee whose gross family income exceeds twice the federal poverty level may continue as an enrollee for up to six months, provided all other criteria are met and provided that the enrollee pays a monthly premium equal to the rate stated in the contract between the plan and the participating managed health care system selected by the enrollee)).

(2) To be eligible for subsidized enrollment in the BHP, an individual must have a gross family income that does not exceed two

hundred percent of the federal poverty level as adjusted for family size and determined annually by the U.S. Department of Health and Human Services.

The administrator may require enrollees or prospective enrollees to complete the following eligibility determination process, as further defined under chapter 74.09 RCW (pertaining to eligibility for the Medicaid program), prior to enrollment or continued participation in the BHP.

(a) A prospective or current enrollee shall comply with an HCA request to provide evidence to the administrator that a Medicaid eligibility determination has been completed within the past thirty days and the results of this determination.

(b) The administrator shall ensure that all prospective or current BHP enrollees who are determined to be eligible for Medicaid receive complete information regarding the benefits available through the Medicaid program compared to the benefits they would receive (or are currently receiving) under the BHP.

(c) Failure or refusal on the part of a prospective or current enrollee to comply with a request to complete the Medicaid eligibility determination process may preclude enrollment and may affect continued participation in the BHP subsidy.

~~((2))~~ (3) An individual otherwise eligible for enrollment in the ~~((plan))~~BHP may be denied enrollment if the administrator has determined that acceptance of additional enrollment in a given service area would exceed limits established by the legislature ~~((, would jeopardize the orderly development of the plan in that service area, or would result in an overexpenditure of plan funds))~~ or additional enrollment in a given MHCS would exceed established contract limits, or would result in an overexpenditure of BHP funds, or would jeopardize the orderly development of BHP. In the event that the administrator closes enrollment in a given service area, the ~~((plan))~~HCA will continue to accept applications for enrollment, but will not process those applications for determination of eligibility. The ~~((plan))~~HCA will place the names of applicants on a waiting list in the order in which applications are received, and will so notify the applicants. In the event that enrollment is reopened by the administrator, applicants whose names appear on the waiting list will be notified by the ~~((plan))~~HCA of the opportunity to enroll; provided that the ~~((plan))~~HCA may require new application forms and documentation from applicants on the waiting list, or may contact applicants to verify continued interest in applying, prior to determining their eligibility.

(4) The HCA will accept applications for group enrollment in the BHP from business owners on behalf of themselves and their employees, spouses and dependent children if:

(a) The BHP is the only health plan offered by the business to its eligible employees;

(b) The business owner pays at least fifty percent of the nonsubsidized premium cost of the BHP on behalf of each employee enrolled in the plan; and

(c) The employee is not eligible for medicare.

AMENDATORY SECTION (Amending WSR 92-14-097, filed 6/30/92, effective 7/31/92)

**WAC 55-01-050 Enrollment in the plan.** (1) Any individual applying for enrollment in the ~~((plan))~~ BHP must complete, sign and submit ~~((the plan's))~~ a BHP application for enrollment. Applications for enrollment of children under the age of eighteen must be signed by the child's parent or legal guardian, who shall also be held responsible ~~((by the plan))~~ for payment of premiums due on behalf of the child. If an applicant is accepted for enrollment, the applicant's signature acknowledges the applicant's obligation to pay the monthly premium in accordance with the terms and conditions identified in the benefit booklet.

(2) Each applicant shall ~~((complete and sign the application for enrollment,))~~ list ~~((ing))~~ those family members to be enrolled and supply ~~((ing))~~ such other information and documentation as required by the ~~((plan))~~ HCA.

(a) Documentation will be required, showing the amount and sources of ~~((applicants'))~~ applicant's year to date income to include ~~((for))~~ the most recent complete calendar month as of the date of application, ~~((Applicants will also be required to submit))~~ and a signed copy of their most recently filed federal income tax form. Acceptable ~~((F))~~ income documentation shall be required for all ~~((income-earning))~~ family members, including those not applying for enrollment, except for family members who reside in another household and whose income is not available to the family seeking enrollment, and dependent children.

(b) Documentation of the applicant's name and physical residence shall also be required. ~~((, displaying the applicant's name and address.))~~

(c) The ~~((plan))~~ HCA may request additional information from applicants for purposes of establishing or verifying eligibility, including Medicaid eligibility in chapter 74.09 RCW, premium responsibility or managed health care system selection.

(d) Submission of incomplete or inaccurate information may delay or prevent an applicant's enrollment in the ~~((plan))~~ BHP. Intentional submission of false information may result in disenrollment of the applicant and all enrolled family members, retroactive to the date upon which coverage began.

(3) Each family applying for enrollment must designate a ~~((participating))~~ managed health care system from which all enrolled family members will receive covered services. All applicants from the same family must receive covered services from the same managed health care system (except in cases where a subscriber, who is paying child support for his/her dependents,

lives in another covered services area). No applicant will be enrolled for whom designation of a ~~((participating))~~ managed health care system has not been made as part of the application for enrollment. The administrator will establish procedures for the selection of managed health care systems, which will include conditions under which an enrollee may change from one managed health care system to another. Such procedures will allow enrollees to change from one managed health care system to another during open enrollment, or otherwise upon showing of good cause for the transfer.

(4) Except as provided in WAC 55-01-040~~((+2))~~ (3), applications for enrollment will be reviewed by the ~~((plan))~~HCA within thirty days of receipt and those applicants satisfying the eligibility criteria and who have provided all required information, documentation and premium payments will be notified of their effective date of enrollment.

(5) Eligible applicants will be enrolled in the ~~((plan))~~BHP in the order in which their completed applications, including all required documentation, have been received by the ~~((plan))~~HCA, provided that the applicant also remits full payment of the first premium bill to the ~~((plan))~~HCA by the due date specified by the ~~((plan))~~HCA.

(6) Not all family members are required to apply for enrollment in the ~~((plan))~~BHP; however, any family member for whom application for enrollment is not made at the same time that other family members apply may not subsequently enroll as a family dependent until the next open enrollment period available to that family member, unless that family member loses other health coverage. Eligible newborn and newly adopted children may be enrolled effective from the date of birth or physical placement with the adoptive parents for adoption, provided that application for enrollment is submitted to the ~~((plan))~~HCA within sixty days of the date of birth or such placement for adoption. A newly acquired spouse of an enrollee may apply for enrollment within thirty days of the date of marriage and, if found eligible by the ~~((plan))~~HCA, will be enrolled on the first of a month following completion of the enrollment process by the ~~((plan))~~HCA, provided that the addition of the spouse does not otherwise render the family ineligible for coverage by the ~~((plan))~~HCA.
