INTERPRETIVE OR POLICY STATEMENT
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES
 [Filed September 3, 2014, 4:28 p.m.]

Notice of Interpretive or Policy Statement

In accordance with RCW 34.05.230(12), following is a list of policy and interpretive statements issued by the department of social and health services (DSHS).

Aging and Long-Term Support Administration
Division of Home and Community Services (HCS)
and
Developmental Disabilities Administration

Document Title: Public Notice.

Subject: Development of statewide transition plan for compliance with new federal rules.

Effective Date: September 30, 2014.

Document Description: A final federal rule, published in January 2014, created requirements for home and community-based settings (HCBS) in medicaid programs operated under sections 1915(c), 1915(i), and 1915(k) of the Social Security Act. The rule supports opportunities to maximize access to the benefits of community living and to receive ser-

vices in the most integrated setting for HCBS program participants. DSHS is conducting an assessment of settings where medicaid funded home and community-based services are provided and is preparing a report for Centers for Medicare and Medicaid Services that will include a transition plan for settings that don't meet the new settings requirements. The transition plan will include actions the state will take to address identified issues. Those steps may include but are not limited to revised contractual requirements, standardized residential admission agreements, changes to licensing survey elements and changes to WAC.

To view the new rules and get more information, please visit <http://www.altsa.dshs.wa.gov/stakeholders/hcbs/>. The completed draft transition plan will be posted on this web site on November 5, 2014. DSHS welcomes all comments on the development of the transition plan and on the completed draft plan. Comments on the development of the transition plan will be received through September 30, 2014. Comments may be submitted through the web site or directly to Barbara Hanneman, Program Manager, HCS, P.O. Box 45600, phone (360) 725-2525, TDD/TTY (360) 438-2637, fax (360) 586-9727, e-mail hannebj@dshs.wa.gov, web site <http://www.adsa.dshs.wa.gov>.

ATTORNEY GENERAL'S OFFICE

[Filed September 8, 2014, 8:54 a.m.]

NOTICE OF REQUEST FOR ATTORNEY GENERAL'S OPINION WASHINGTON ATTORNEY GENERAL

The Washington attorney general issues formal published opinions in response to requests by the heads of state agencies, state legislators, and county prosecuting attorneys. When it appears that individuals outside the attorney general's office have information or expertise that will assist in the preparation of a particular opinion, a summary of that opinion request will be published in the state register. If you are interested in commenting on a request listed in this volume of the register, you should notify the attorney general's office of your interest by October 8, 2014. This is not the due date by which comments must be received. However, if you do not notify the attorney general's office of your interest in commenting on an opinion request by this date, the opinion may be issued before your comments have been received. You may notify the attorney general's office of your intention to comment by e-mail to jeff.even@atg.wa.gov or by writing to the Office of the Attorney General, Solicitor General Division, Attention Jeff Even, Deputy Solicitor General, P.O. Box 40100, Olympia, WA 98504-0100. When you notify the office of your intention to comment, you may be provided with a copy of the opinion request in which you are interested, information about the attorney general's opinion process, information on how to submit your comments, and a due date by which your comments must be received to ensure that they are fully considered.

If you are interested in receiving notice of new formal opinion requests via e-mail, you may visit the attorney general's web site at www.atg.wa.gov/AGOOpinions/default.aspx for more information on how to join our AGO opinions list.

The attorney general's office seeks public input on the following opinion request(s):

Opinion Docket No. 14-08-02

Request by Tana Senn, Representative, District 41

QUESTION(S):

1. May a petition under RCW 27.12.030 to establish a library be submitted to the voters when a library already exists in the taxing district and the City has not withdrawn from the District pursuant to the terms of the Interlocal Agreement (Section 9) and applicable state law (RCW 27.12.380)?
2. If the answer to Question 1 is "yes", would the Interlocal Agreement be considered a "contract for library services" within the meaning of RCW 27.12.080 and, as such, preclude an election under RCW 27.12.030 on the basis of the city having already exercised its authority to contract to receive library services from an existing library instead of establishing an independent library?
3. If the answer to Question 1 is "no" or the answer to Question 2 is "yes", what is the proper process under which such a question can be submitted to the voters?
4. What are the implications of certifying signatures under RCW 27.12.030 versus validating signatures?

GR 9 COVER SHEET

Suggested Amendments
ADMISSION AND PRACTICE RULES (APR)

APR 28.

LIMITED PRACTICE RULE FOR LIMITED LICENSE LEGAL TECHNICIANS

Submitted by the Limited License Legal Technician Board

Purpose: The primary purpose for the suggested amendments to APR 28 is to provide for the efficient administration of the LLLT program and clarify one issue related to the LLLT's scope of practice. Washington State Bar Association staff prepared the initial drafts of these proposed amendments and presented them to the LLLT Board for discussion at two meetings. Except with respect to the scope issue, the initial drafts were modeled after either the corresponding lawyer rule or the corresponding LPO rule. Decisions as to which rule to use as a model depended on (1) the need to protect the public given the LLLT's scope of practice, (2) the preference of the LLLT Board and (3) the best way to administer the program. The Board discussed and then unanimously approved these proposed amendments as proposed by staff with only slight modification where necessary.

In addition to some technical amendments, the proposed amendments to APR 28 relate to the administration and expenses of the Board, clarifying an ambiguity regarding whether LLLTs may conduct legal research without the supervision of a lawyer, and confidentiality and public records.

Administration and Expenses of LLLT Board (APR 28C(4))

Suggested new subpart C(4) to APR 28 delineates that anticipated expenses and anticipated revenues of the LLLT Board shall be submitted on a proposed budget for approval by the Washington State Bar Association's Board of Governors, which is consistent with how the budgets of other Supreme Court boards are administered by the WSBA.

Scope of Practice and Legal Research (APR 28F (7) & (8))

In APR 28F relating to the scope of practice for LLLTs, the Board suggests splitting subpart (7) into two subparts to distinguish legal research from the drafting of legal documents that require review by a Washington lawyer, as it is anticipated that LLLTs will perform legal research without the oversight of an attorney. Subpart (7) as it is currently drafted creates ambiguity in that respect. The Board believes that to effectively represent clients, an important part of an LLLT's duties will be to conduct relevant research and analysis. The Board does not believe it was the intent of the rule to require LLLTs to conduct legal research under the supervision of an attorney.

Confidentiality and Public Records (APR 28L)

Suggested new APR 28L is intended to bring LLLT Board policies related to confidentiality and public records into alignment with General Rule 12.4 and the WSBA's confidentiality and public records policies.

Conclusion

The LLLT Board believes that it is important that these proposed amendments be adopted and effective as soon as possible to provide for the efficient administration of the program and to clarify the legal research scope of practice issue prior to the initial licensing of LLLTs in 2015.

INTERPRETIVE STATEMENT
DEPARTMENT OF REVENUE
[Filed September 10, 2014, 11:24 a.m.]

INTERPRETIVE STATEMENT ISSUED

The department of revenue has issued the following excise tax advisory (ETA): **ETA 3188.2014 (1st Revision) Grain Elevator.**

ETA 3188 explains the proper rate of tax remittance when a grain elevator is expanded pursuant to RCW 82.08.-820. Initially issued on February 19, 2014, ETA 3188 is being amended to delete language in the ETA providing guidance on the department's interpretation of what a grain elevator "structure" is for purposes of RCW 82.08.820. The language is being eliminated because the department has reconsidered its interpretation in the matter and determined that prior the interpretation was too narrow.
