Policy Statements

Pursuant to RCW 34.05.230, the department of labor and industries' (L&I) fraud prevention and labor standards division issued the following policy statements.

If you have any questions or need additional information, please contact Ellen Saline, senior policy manager for fraud prevention and labor standards, at Ellen.Saline@Lni.wa.gov or 360-902-4475.

Policy: Employment Standards Policy ES.A.11.

Description: This policy was repealed because it was replaced by a new policy, HLS.A.1, under healthcare labor standards. *See below.* The updates in the new policy provide guidance on changes to the law since the promulgation of ES.A.11, new interpretative clarifications, and numerous examples to clarify the use of exceptions under RCW 49.28.130 and 49.28.140. The policy prefix/numbering has also been changed to reflect the changing administration of this law and policy by L&I's healthcare labor standards program rather than the employment standards program.

Contact: Ellen Saline, 7273 Linderson Way S.W., Tumwater, WA 98501-4510, 360-902-4475, Ellen.Saline@Lni.wa.gov.

These changes increase the accuracy and clarity of the policy, enabling non-technical audiences to understand the content more easily. The policy prefix/numbering has also been changed to reflect the changing administration of this law and policy by L&I's healthcare labor standards program rather than the employment standards program.

Contact: Ellen Saline, 7273 Linderson Way S.W., Tumwater, WA 98501-4510, 360-902-4475, Ellen.Saline@Lni.wa.gov.

Title: *Meal and Rest Break Protections for Certain Healthcare Workers.*

Effective: July 1, 2024.

Description: This new policy provides guidance on meal and rest breaks for health care employees covered by RCW 49.12.480 and 49.12.483. This policy expands upon existing L&I guidance related to meal and rest breaks by addressing new statutory requirements (see ESSB 5236) and providing guidance and examples tailored to the workplace contexts covered by the law. Generally, this policy provides guidance on who is covered by the law, what baseline meal and rest break rights exist, which requirements are unique to covered health care employers, and how to remedy missed meal and rest breaks.

PUBLIC NOTICE

Announcing the Reissuance of the Water Treatment Plant General Permit

The Washington state department of ecology (ecology) is reissuing the **water treatment plant** National Pollutant Discharge Elimination System (NPDES) and state waste discharge general permit (permit) on July 31, 2024. The permit becomes effective on September 1, 2024, and expires on August 31, 2029.

Purpose of the Permit: The permit addresses various legal requirements and responsibilities, and regulates the discharge of pollutants to protect water quality in Washington state. The permit authorizes the discharge of wastewater discharged from the facility as part of the process of making drinking water. The permit is a combined NPDES and state waste discharge permit that limits the discharge of pollutants to surface waters under the authority of the Federal Water Pollution Control Act (33 U.S.C. 1251) and limits the discharge of pollutants to surface and groundwater under the authority of the State Water Pollution Control Act (chapter 90.48 RCW).

Public Notice Process and Comments: Ecology accepted public comments on the draft permit from **March 20, 2024, through May 3, 2024**. Ecology held public workshops and hearings via an online webinar on **April 22, 2024, and April 23, 2024**. Ecology received written comments during the public comment period. The comments and ecology's responses are included in Appendix E of the fact sheet.

Copies of the Permit: The final permit, fact sheet, and ecology's response to comments are available online at <https://ecology.wa.gov/Regulations-Permits/Permits-certifications/Water-treatment-plants>. You may request hard copies from Jackie Lince at jackie.lince@ecy.wa.gov or 360-407-6600.

Applying for Coverage Under the Permit: Water treatment plants covered under the existing permit that reapplied for permit coverage will be covered under the new permit. New or unpermitted water treatment plants may obtain coverage under the permit by submitting a complete permit application to ecology and satisfying all applicable public notice and State Environmental Policy Act requirements (WAC 173-226-200). The application is available online at <https://secureaccess.wa.gov>.
