**INTERPRETIVE AND POLICY STATEMENT**  
**BOARD OF**  
**PILOTAGE COMMISSIONERS**

[Filed November 25, 2024, 9:02 a.m.]

**POLICY AND INTERPRETIVE STATEMENT**

REGARDING: Definition of "oil" further defined.

It is the policy of the board of pilotage commissioners (board) to affirm the definition of oil as included in the interpretive statement of ESHB 1578 terms as follows:

It is the interpretation of the board that, as per RCW 90.56.010 (19)<sup>6</sup>, the definition of "oil" or "oils" means "oil of any kind that is liquid at twenty-five degrees Celsius and one atmosphere of pressure and any fractionation thereof, including, but not limited to, crude oil, bitumen, synthetic crude oil, natural gas well condensate, petroleum, gasoline, fuel oil, diesel oil, biological oils (see note 2 below) and blends, oil sludge, oil refuse, and oil mixed with wastes other than dredged spoil. Oil does not include any substance listed in Table 302.4 of 40 C.F.R. 302 adopted August 14, 1989, under section 102(a) of the federal comprehensive 5 33 C.F.R. § 161.55 (2019) 6 Oil and Hazardous Substance Spill Prevention and Response, 90.56, R.C.W. § 010 (2015) Figure 1 Rosario Strait (red) and Connected Waterways East (blue) Adopted in regular session on September 17, 2020, by the State of Washington Board of Pilotage Commissioners. environmental response, compensation, and liability act of 1980, as amended by P.L. 99-499." Notes: (1) The board considers diluted bitumen to be a part of this definition; (2) The board considers biological oils to include: "fats, oils, or greases of animal, fish, or marine mammal origin; vegetable oils, including oils from seeds, nuts, fruits, or kernels" in alignment with Federal Regulations.

It is further the policy of the board that the definition of oil as it pertains to tug escort requirements pursuant to RCW 88.16.090 in the Puget Sound or Grays Harbor pilotage district does not include the following substances: Glycol, Polypropylene Tetramer, or \*Nonene.

\* Nonene doesn't show up on the CERCLA hazardous substance list, therefore it doesn't have a clear exclusion from the definition of oil. It would come down to how it is derived, and whether it met the "any fractionation thereof" requirement. If it was synthetically reduced from the alkane (nonane) it would be excluded and not an oil. If it were isolated through fractional distillation, then it could meet the "any fractionation thereof" requirement and be included as an oil.

## HEALTH CARE AUTHORITY

[Filed November 25, 2024, 11:59 a.m.]

## NOTICE

Title or Subject: Medicaid State Plan Amendment (SPA) 25-0001  
Certified Peer Specialists.

Effective Date: July 1, 2025.

Description: The health care authority (HCA) intends to submit SPA 25-0001 in order to comply with 2SSB 5555 (chapter 469, Laws of 2023), establishing the profession of certified peer specialists, which includes certified peer specialist trainees. A certified peer specialist is an individual who has self-identified as in recovery from mental health or behavioral health experiences/challenges and/or is the parent or legal guardian of a person who has applied for, is eligible for, or has received mental health or behavioral health services; has successfully completed HCA's and the department of health's (DOH) required training and testing; and is credentialed by DOH.

Certified peer specialists provide interventions through the use of shared experiences to assist a client in the acquisition and exercise of skills needed to support the client's recovery.

Currently, certified peer counselors working under an agency-affiliated registration are limited to providing peer services only in community behavioral health agencies. SPA 25-0001 will allow certified peer specialists and trainees to provide and bill for peer services provided in other settings. Note: Effective January 1, 2027, a person who is registered as an agency-affiliated counselor who engages in the practice of peer support services must hold a certificate as a certified peer specialist or certified peer specialist trainee.

SPA 25-0001 is expected to increase the annual aggregate expenditures/reimbursement/payment for peer services by up to approximately \$267,467.

SPA 25-0001 is in the development process; therefore, a copy is not yet available for review. HCA would appreciate any input or concerns regarding this SPA. To request a copy when it becomes available or submit comments, please contact the person named below by December 27, 2024 (please note that all comments are subject to public review and disclosure, as are the names of those who comment).

Contact: Shelly Shore, Peer Support Program Supervisor, 628 8th Avenue S.E., Olympia, WA 98504, phone 360-643-6931, TRS 711, email shelly.shore@hca.wa.gov.

For accommodation requests or for further information, please contact the council at 800-624-4105.

The council is appointed by the governor to guide development of and promote access to independent living services for individuals with disabilities statewide. The council works to increase opportunities for self-determination and empowerment of people with disabilities, and to create awareness of people with disabilities as a valuable human resource. We welcome your feedback concerning your experiences and concerns.
