EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 21-01—Filed January 4, 2021, 4:31 p.m., effective January 5, 2021]

Effective Date of Rule: January 5, 2021.

Purpose: The purpose of this emergency rule is to close recreational sturgeon retention in the Columbia River, from The Dalles Dam to John Day Dam.

Citation of Rules Affected by this Order: Amending WAC 220-312-060.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule is needed to close white sturgeon retention in The Dalles Pool. Catches in the first three days of fishing were much higher than expected. Creel data indicates harvest has surpassed the quota of one hundred thirty-five sturgeon. There is insufficient time to adopt permanent regulations.
