RECISSION OF EMERGENCY RULES
LIQUOR AND CANNABIS
BOARD**

[Filed April 28, 2021, 1:14 p.m.]

The Washington state liquor and cannabis board (WSLCB) is rescinding its emergency rule, WAC 314-55-1065, regarding the prohibition of vitamin E acetate, filed on January 6, 2021, as WSR 21-02-092.

The Washington state board of health adopted a permanent prohibition of vitamin E acetate on November 5, 2020, as WSR 20-23-006, with an effective date of November 15, 2020. The WSLCB emergency rule is no longer necessary.
