

**WSR 21-19-118
EMERGENCY RULES
DEPARTMENT OF
LABOR AND INDUSTRIES**

[Filed September 20, 2021, 3:14 p.m., effective September 20, 2021, 3:14 p.m.]

Effective Date of Rule: Immediately upon filing.

Purpose: The department of labor and industries (L&I) is responding to the coronavirus disease 2019 (COVID-19) pandemic by amending WAC 296-800-14035 related to prohibited business activities and compliance with conditions for operations under emergency proclamations and their amendments issued under RCW 43.06.220.

Under the emergency rule:

- Employers must not allow employees to perform work where a business activity is prohibited by an emergency proclamation.
- Employers must comply with all conditions for operation required by emergency proclamation.

L&I is monitoring the emergency proclamations, information including guidance from the Center for Disease Control (CDC), and data on COVID-19, and will repeal the emergency rule if no longer needed.

Citation of Rules Affected by this Order: New WAC 296-800-14035.

Statutory Authority for Adoption: RCW 49.17.010, 49.17.040, 49.17.050, and 49.17.060.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule making supersedes the emergency rule adopted on August 23, 2021, filed as WSR 21-18-030, as conditions have changed due to a new governor's proclamation being in effect (Proclamation 20-25.17).

L&I is taking action to help prevent the spread of COVID-19 and respond to the governor's proclamations establishing conditions for business operations consistent with the recommendations of medical and safety professionals as to how businesses may continue operation without increasing the risk of COVID-19 spreading.

The initial March 23, 2020, Stay Home, Stay Healthy Proclamation 20-25 required residents to stay home unless they need to pursue an essential activity, closed all businesses except essential businesses, and banned all gatherings for social, spiritual, and recreational purposes. The order built upon earlier orders closing schools and restricting larger gatherings. This was followed by proclamation amendments adjusting the Stay Home, Stay Healthy order and transitioning to a phased-in approach to reopening Washington state, referred to as "Safe Start Washington." The "Safe Start" orders further build on these by continuing the Safe Start plan for county-by-county phased reopening where the subsequent "Stay Safe-Stay Healthy" orders rolled back the county-by-county phased reopening in response to a COVID-19 outbreak surge and the following amendments under the "Health [Healthy] Washington - Roadmap to Recovery" took a regional approach to easing of the rolled back restrictions and aligning with CDC guidance on fully vaccinated individuals. Under the July 2021 "Washington Ready" order, Proclamation 20-25.14, some restrictions remained for large indoor gatherings and mask use is required for unvaccinated em-

ployees when indoors. The current "Washington Ready" Proclamation 20-25.17 addresses the increase in COVID-19 cases and hospitalizations in many parts of the state and the need to decrease the spread of the highly contagious Delta variant. Proclamation 20-25.17 continues the requirements under 20-25.15 for face coverings or masks for customers and employees regardless of vaccination status in indoor spaces accessible to the public and requires face coverings or masks for large outdoor events with 500 or more individuals, regardless of vaccination status.

The governor's proclamations and amendments create a systematic framework to reduce the spread of COVID[-19] from person-to-person interactions among individuals not fully vaccinated, reduce the occurrence of breakthrough infections, safely easing some restrictions while also maintaining crucial hospital capacity, ensuring care for Washingtonians who need it, and paving the way for economic recovery. Business operations and employee exposures are one component of the overall public health emergency response presented by COVID-19 and ensuring compliance with the proclamation requirement helps to protect the safety and health of employees. In setting the conditions for businesses under the "Washington Ready" 20-25.17 order considerations included statewide and county level data, the percentage of the state population who are fully vaccinated, the number of counties with high or substantial transmission rates, and critical knowledge gained regarding the spread of COVID-19, including a better understanding of the risks associated with certain activities and the measures that can be taken to reduce those risks.

The business operating conditions in the governor's orders are also consistent with the purpose of chapter 49.17 RCW and guidance from CDC. Chapter 49.17 RCW and L&I rules require employers to provide a safe and healthy workplace free from recognized hazards, and an employer can be cited for a violation of the "safe place" rule where there are no specific rules to address the particular hazard. Lack of COVID-19 hazard controls such as failure to address symptomatic employees can be cited under the "safe place" standard. This emergency rule ensures clarity that restrictions and conditions on business under the emergency proclamations are also health and safety requirements under chapter 49.17 RCW and that employers can be subject to a citation and monetary penalties for violations.

This emergency rule is necessary for the preservation of public health, safety, and general welfare of all employees. The governor's proclamation has found that the hazards of the unnecessary spread of COVID-19 present an immediate threat to public health and safety. The governor's proclamation is currently in effect, and observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest and the governor's order.

Number of Sections Adopted in Order to Comply with Federal Statute: New 0, Amended 0, Repealed 0; Federal Rules or Standards: New 0, Amended 0, Repealed 0; or Recently Enacted State Statutes: New 0, Amended 0, Repealed 0.

Number of Sections Adopted at the Request of a Nongovernmental Entity: New 0, Amended 0, Repealed 0.

Number of Sections Adopted on the Agency's own Initiative: New 1, Amended 0, Repealed 0.

Number of Sections Adopted in Order to Clarify, Streamline, or Reform Agency Procedures: New 0, Amended 0, Repealed 0.

Number of Sections Adopted using Negotiated Rule Making: New 0, Amended 0, Repealed 0; Pilot Rule Making: New 0, Amended 0, Repealed 0; or Other Alternative Rule Making: New 0, Amended 1, Repealed 0.

Date Adopted: September 20, 2021.
