EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE

[Order 23-37—Filed March 3, 2023, 3:17 p.m., effective March 6, 2023]

Effective Date of Rule: March 6, 2023.

Purpose: The purpose of this emergency rule is to close harvest of red [sea] urchin in Districts 3 and 4. This rule also reopens harvest of red [sea] urchin in Districts 1 and 2 at a reduced weekly trip limit.

Citation of Rules Affected by this Order: Repealing WAC 220-340-75000U; and amending WAC 220-340-750.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This emergency rule closes commercial harvest for red sea urchins in Districts 3 and 4 on March 6, 2023, because the quotas in both districts will be achieved. This emergency rule also opens harvest for red sea urchins in Districts 1 and 2 at a reduced weekly trip limit because there is quota remaining at the end of the harvest season. There is insufficient time to adopt permanent rules.
