Prevailing Rate of Wage Publication

Pursuant to RCW 39.12.015, 39.12.020, and WAC 296-127-011, on March 28, 2024, the industrial statistician determined and published corrections to several prevailing rates of wage. These rates become effective 30 days from publication on April 27, 2024.

We are correcting the overtime rules for the divers and diver tenders trade in several Eastern Washington counties. Specifically, we have updated information present in the note codes.

We are also making apprentice level wage rate corrections to the construction site surveyors trade in Southwest Washington.

For more information on prevailing wage or a copy of the rates, please visit our website at <https://lni.wa.gov/licensing-permits/public-works-projects/prevailing-wage-rates/> or call 360-902-5335.
