

**WSR 24-17-124  
EMERGENCY RULES  
DEPARTMENT OF  
FISH AND WILDLIFE**

[Order 24-159—Filed August 19, 2024, 4:24 p.m., effective August 21, 2024]

Effective Date of Rule: August 21, 2024.

Purpose: The purpose of this emergency rule is to close recreational coastal salmon fishing in Marine Area 3.

Citation of Rules Affected by this Order: Repealing WAC 220-313-07500Z; and amending WAC 220-313-075.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: The purpose of this rule is to close recreational salmon fishing in Area 3. Coho catch for Area 3 is projected to be near the quota for the area by August 20, and would likely be exceeded if the fishery remained open. These rules are adopted at the recommendation of the Pacific Fisheries Management Council, in accordance with preseason fishing plans, and have been adopted for federal waters by the National Oceanic and Atmospheric Administration. There is insufficient time to adopt permanent rules.
