EMERGENCY RULES
DEPARTMENT OF
FISH AND WILDLIFE**

[Order 25-14—Filed January 27, 2025, 3:47 p.m., effective February 8, 2025, 8:00 a.m.]

Effective Date of Rule: February 8, 2025, 8:00 a.m.

Purpose: This emergency rule is needed to set commercial crab opening from Klipsan Beach to the United States/Canada border.

Citation of Rules Affected by this Order: Repealing WAC 220-340-42000B and 220-340-45000U; and amending WAC 220-340-420 and 220-340-450.

Statutory Authority for Adoption: RCW 77.04.012, 77.04.020, 77.12.045, and 77.12.047.

Under RCW 34.05.350 the agency for good cause finds that immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

Reasons for this Finding: This rule is needed because mandatory meat recovery criteria has been met. The season opening dates are based on measures described in state-tribal harvest management agreements and discussions with comanagers. Stepped opening periods for specific areas will also provide for fair start provisions. There is insufficient time to adopt permanent rules.
