2   **SSB 6428 - H AMD TO HS COMM AMD (H-5005.1/92) 0365 ADOPTED 3-6-92**

5       On page 16, after line 9 of the amendment, insert the following:

6       "**NEW SECTION.**   **Sec. 15.**   (1) The legislature finds that a  
7 significant number of school age children in the state of Washington  
8 are not under the care and supervision of an adult during the hours  
9 before and after school while their parents work or are engaged in job  
10 training and professional preparation programs. The legislature finds  
11 that these children are at risk and that the provision of before-and-  
12 after-school child care will promote not only the safety and welfare of  
13 these children, but their ability to learn and develop into healthy and  
14 productive citizens.

15       (2) It is the intent of the legislature to promote the growth,  
16 development, and safety of school age children by supporting the  
17 establishment of high quality before-and-after-school child care  
18 programs, in partnership with local governments and the private  
19 sector."

20       "**Sec. 16.**   RCW 74.13.085 and 1989 c 381 s 2 are each amended to  
21 read as follows:

22       It shall be the policy of the state of Washington to:

23       (1) Recognize the family as the most important social and economic  
24 unit of society and support the central role parents play in child  
25 rearing. All parents are encouraged to care for and nurture their  
26 children through the traditional methods of parental care at home.  
27 However, there has been a dramatic increase in participation of women

1 in the workforce which has made the availability of quality, affordable  
2 child care a critical concern for the state and its citizens. There  
3 are not enough child care services and facilities to meet the needs of  
4 working parents, the costs of care are often beyond the resources of  
5 working parents, and child care facilities are not located conveniently  
6 to work places and neighborhoods. Parents are encouraged to  
7 participate fully in the effort to improve the quality of child care  
8 services.

9       (2) Promote a variety of culturally and developmentally appropriate  
10 child care settings and services of the highest possible quality in  
11 accordance with the basic principle of continuity of care. These  
12 settings and services shall include, but not be limited to, family day  
13 care homes, ((mini-centers,)) centers and before-and-after-school child  
14 care programs located in or near public school(s) buildings.

15       (3) Promote the growth, development and safety of children by  
16 working with community groups including providers and parents to  
17 establish standards for quality service, training of child care  
18 providers, fair and equitable monitoring, and salary levels  
19 commensurate with provider responsibilities and support services.

20       (4) Promote equal access to quality, affordable, socio-economically  
21 integrated child care for all children and families.

22       (5) Facilitate broad community and private sector involvement in  
23 the provision of quality child care services to foster economic  
24 development and assist industry."

25       "NEW SECTION. **Sec. 17.** A new section is added to chapter 74.13  
26 RCW to read as follows:

27       (1) Within available federal funds the department may award before-  
28 and-after-school child care facility grants subject to the following  
29 conditions and limitations:

1       (a) Before-and-after-school child care facility grant requests may  
2 be for expanding existing before-and-after-school child care programs  
3 or establishing new programs located in or near public elementary  
4 schools.

5       (b) Grantees under this section may include public school  
6 districts, educational service districts, or other governmental or  
7 nongovernmental not-for-profit organizations.

8       (c) Grants may be used for any of the following purposes:

9           (i) Planning and design of facilities and programs;

10          (ii) Equipment, supplies, and materials of a noncapital nature,  
11 including but not limited to toys, office supplies, art supplies, and  
12 kitchen utensils; and

13          (iii) Operating expenses for the first six months of operation of  
14 a new before-and-after-school child care program.

15       (d) A grant under this section may be used to support no more than  
16 seventy-five percent of the costs of establishing a before-and-after-  
17 school child care program. A grantee may meet the local matching  
18 requirement under this subsection through contributions by private or  
19 public entities of materials, supplies, in-kind services, or physical  
20 facilities.

21          (2) The child care coordinating committee established under RCW  
22 74.13.090 shall establish standards and criteria for the review and  
23 awarding of grants. The committee shall include relevant information  
24 regarding grants awarded under this section in the annual report to the  
25 legislature."

26       "NEW SECTION. **Sec. 18.** A new section is added to chapter 41.04  
27 RCW to read as follows:

28       In order to implement the state's child care policy established by  
29 RCW 41.04.385, the director of personnel shall:

- 1       (1) Provide technical assistance to state agencies for addressing  
2 employee child care needs;
- 3       (2) Conduct periodic needs assessments to determine the demand for  
4 specific child care services and facilities by state employees and to  
5 determine the availability and costs of child care services accessible  
6 to employees within a surveyed community. In lieu of conducting new  
7 needs assessments, the department may use similar assessments completed  
8 by other organizations, provided that the assessments conform to  
9 standards established by the department;
- 10      (3) Assist state employees with establishing nonprofit employee  
11 organizations to contract for the provision of child care services;
- 12      (4) Develop, in consultation with the department of general  
13 administration, model contracts for agencies to use when contracting  
14 with nonprofit employee organizations to use state-owned or state-  
15 leased buildings for child care services;
- 16      (5) Develop, in consultation with the departments of general  
17 administration, social and health services, and the office of financial  
18 management, model contracts and quality standards for nonprofit  
19 employee organizations to use when contracting with child care  
20 providers;
- 21      (6) Inform state employees of the child care and family services  
22 available to them through state programs, policies, or merit system  
23 rules;
- 24      (7) Assist state agencies and employees with developing  
25 alternatives to state employee child care centers for meeting child  
26 care needs;
- 27      (8) In consultation with the state employee child care advisory  
28 committee, establish general policies for the distribution of state  
29 employee child care facility grants by the department of social and  
30 health services;

1       (9) Conduct research and develop pilot programs to measure changes  
2 in employee productivity, recruitment, retention, and absenteeism,  
3 associated with state-supported child care services; and

4       (10) Establish policies, subject to the approval of the director of  
5 financial management, for the development of partnerships with private  
6 employers for the provision of child care services.

7       The policies established under this section shall apply to all  
8 state agencies subject to chapter 41.06 RCW that provide, or assist  
9 with the provision of, child care services for state employees. The  
10 cost of department of personnel services provided to agencies exempted  
11 by RCW 41.06.070 from the provisions of chapter 41.06 RCW shall be  
12 reimbursed in accordance with RCW 41.06.080."

13       "NEW SECTION.   **Sec. 19.** A new section is added to chapter 41.04  
14 RCW to read as follows:

15       The director of personnel shall attempt to develop a program of  
16 flexible child care and family policies and services so that state  
17 employees may choose among those that best meet their needs."

18       "NEW SECTION.   **Sec. 20.** By June 30, 1993, the director of  
19 personnel shall provide a plan for the development of a child care  
20 program that includes objective, quantifiable, and measurable standards  
21 and goals to be achieved. Such goals shall be established in  
22 consultation with the state employee child care advisory committee.

23       The director shall report to the governor by September 1996  
24 describing the results achieved through the child care program compared  
25 to original performance standards and goals."

26       **Sec. 21.** RCW 41.04.370 and 1984 c 162 s 1 are each amended to  
27 read as follows:

1       The legislature recognizes that ((on-site)) supporting child  
2 ((day)) care for employees of public and private organizations is a  
3 worthwhile pursuit. To further the goals of affordable, accessible,  
4 and quality child care for working parents, the legislature intends to  
5 ((establish a)) provide for the development of self-supporting child  
6 care ((demonstration project)) programs for employees of state  
7 government. ((The legislature recognizes that appropriate child day  
8 care services may enhance productivity and lower absenteeism among  
9 state employees.))"

10       "**Sec. 22.** RCW 41.04.375 and 1984 c 162 s 2 are each amended to  
11 read as follows:

12       Subsequent to the completion of needs assessments indicating a  
13 demand for additional accessible center-based child care, and at the  
14 request of the director of personnel, the department of general  
15 administration shall identify ((an amount of)) the availability of  
16 suitable space ((in state-owned or state-leased buildings in the  
17 Olympia area)) for use as child ((day)) care centers for the children  
18 of state employees.

19       If suitable space is identified in state-owned or state-leased  
20 buildings, the department of general administration shall establish a  
21 ((fair)) rental rate for ((the)) organizations to pay for the space  
22 used by persons who are not state employees."

23       "**Sec. 23.** RCW 41.04.380 and 1984 c 162 s 3 are each amended to  
24 read as follows:

25       (((1))) After the department of personnel ((shall conduct)) has  
26 conducted a needs assessment under section 18 of this act to determine  
27 the need for and interest in child ((day)) care facilities for the  
28 children of state employees;

1       ((2) The department of personnel shall determine the number of  
2 children which may participate in the demonstration project required  
3 under RCW 41.04.370 through 41.04.380; and

4       (3) If the)) and the assessment has indicated a need for additional  
5 child care services accessible to state employees; and suitable space  
6 ((is)) has been determined to be available, the department of personnel  
7 ((shall)) may assist state employees with establishing nonprofit  
8 organizations in order to contract with one or more ((organizations))  
9 providers to operate child ((day)) care facilities ((for the children  
10 identified under this section. Such facilities may be located in one  
11 or more buildings as identified under RCW 41.04.375)).

12       Subject to the approval of the director of financial management,  
13 suitable space for child care centers may be provided to nonprofit  
14 organizations of state employees without charge or at reduced charge  
15 for rent or services solely for the purpose of reducing employee child  
16 care costs."

17       "NEW SECTION. **Sec. 24.** A new section is added to chapter 41.04  
18 RCW to read as follows:

19       In order to qualify for services under RCW 41.04.380, state  
20 employee child care organizations shall be organized under chapter  
21 24.03 RCW. Such organizations shall be subject to the policies  
22 established under section 18 of this act when contracting for space in  
23 state-owned or state-leased buildings."

24       "**Sec. 25.** RCW 41.04.385 and 1986 c 135 s 1 are each amended to  
25 read as follows:

26       The legislature finds that (1) demographic, economic, and social  
27 trends underlie a critical and increasing demand for child ((day)) care  
28 in the state of Washington; (2) working parents and their children

1 benefit when the employees' child care needs have been resolved;  
2 ((and)) (3) the state of Washington should serve as a model employer by  
3 creating a supportive atmosphere, to the extent feasible, in which its  
4 employees may meet their child ((day)) care needs; and (4) the state of  
5 Washington should encourage the development of partnerships between  
6 state agencies, state employees, state employee labor organizations,  
7 and private employers to expand the availability of affordable quality  
8 child care. The legislature finds further that resolving employee  
9 child ((day)) care concerns not only benefits the employees and their  
10 children, but may benefit the employer by reducing absenteeism,  
11 increasing employee productivity, improving morale, and enhancing the  
12 employer's position in recruiting and retaining employees. Therefore,  
13 the legislature declares that it is the policy of the state of  
14 Washington to assist state employees by creating a supportive  
15 atmosphere in which they may meet their child ((day)) care needs."

16 "Sec. 26. RCW 43.88.160 and 1991 c 358 s 4 are each amended to  
17 read as follows:

18 This section sets forth the major fiscal duties and  
19 responsibilities of officers and agencies of the executive branch. The  
20 regulations issued by the governor pursuant to this chapter shall  
21 provide for a comprehensive, orderly basis for fiscal management and  
22 control, including efficient accounting and reporting therefor, for the  
23 executive branch of the state government and may include, in addition,  
24 such requirements as will generally promote more efficient public  
25 management in the state.

26 (1) Governor; director of financial management. The governor,  
27 through the director of financial management, shall devise and  
28 supervise a modern and complete accounting system for each agency to  
29 the end that all revenues, expenditures, receipts, disbursements,

1 resources, and obligations of the state shall be properly and  
2 systematically accounted for. The accounting system shall include the  
3 development of accurate, timely records and reports of all financial  
4 affairs of the state. The system shall also provide for central  
5 accounts in the office of financial management at the level of detail  
6 deemed necessary by the director to perform central financial  
7 management. The director of financial management shall adopt and  
8 periodically update an accounting procedures manual. Any agency  
9 maintaining its own accounting and reporting system shall comply with  
10 the updated accounting procedures manual and the rules of the director  
11 adopted under this chapter. An agency may receive a waiver from  
12 complying with this requirement if the waiver is approved by the  
13 director. Waivers expire at the end of the fiscal biennium for which  
14 they are granted. The director shall forward notice of waivers granted  
15 to the appropriate legislative fiscal committees. The director of  
16 financial management may require such financial, statistical, and other  
17 reports as the director deems necessary from all agencies covering any  
18 period.

19 (2) The director of financial management is responsible for  
20 quarterly reporting of primary operating budget drivers such as  
21 applicable workloads, caseload estimates, and appropriate unit cost  
22 data. These reports shall be transmitted to the legislative fiscal  
23 committees or by electronic means to the legislative evaluation and  
24 accountability program committee. Quarterly reports shall include  
25 actual monthly data and the variance between actual and estimated data  
26 to date. The reports shall also include estimates of these items for  
27 the remainder of the budget period.

28 (3) The director of financial management shall report at least  
29 annually to the appropriate legislative committees regarding the status  
30 of all appropriated capital projects, including transportation

1 projects, showing significant cost overruns or underruns. If funds are  
2 shifted from one project to another, the office of financial management  
3 shall also reflect this in the annual variance report. Once a project  
4 is complete, the report shall provide a final summary showing estimated  
5 start and completion dates of each project phase compared to actual  
6 dates, estimated costs of each project phase compared to actual costs,  
7 and whether or not there are any outstanding liabilities or unsettled  
8 claims at the time of completion.

9       (4) In addition, the director of financial management, as agent of  
10 the governor, shall:

11       (a) Make surveys and analyses of agencies with the object of  
12 determining better methods and increased effectiveness in the use of  
13 manpower and materials; and the director shall authorize expenditures  
14 for employee training to the end that the state may benefit from  
15 training facilities made available to state employees;

16       (b) Establish policies allowing state agencies to contract for  
17 specialized child care services including resources and referral, sick  
18 child care, and after-hour care;

19       (c) Report to the governor with regard to duplication of effort or  
20 lack of coordination among agencies;

21       ((+e))) (d) Review any pay and classification plans, and changes  
22 thereunder, developed by any agency for their fiscal impact: PROVIDED,  
23 That none of the provisions of this subsection shall affect merit  
24 systems of personnel management now existing or hereafter established  
25 by statute relating to the fixing of qualifications requirements for  
26 recruitment, appointment, or promotion of employees of any agency. The  
27 director shall advise and confer with agencies including appropriate  
28 standing committees of the legislature as may be designated by the  
29 speaker of the house and the president of the senate regarding the  
30 fiscal impact of such plans and may amend or alter said plans, except

1 that for the following agencies no amendment or alteration of said  
2 plans may be made without the approval of the agency concerned:  
3 Agencies headed by elective officials;

4 ((+d)) (e) Fix the number and classes of positions or authorized  
5 man years of employment for each agency and during the fiscal period  
6 amend the determinations previously fixed by the director except that  
7 the director shall not be empowered to fix said number or said classes  
8 for the following: Agencies headed by elective officials;

9 ((+e)) (f) Provide for transfers and repayments between the budget

12 ((+f) ~~Promulgate regulations~~) (g) Adopt rules to effectuate  
13 provisions contained in ((subsections)) (a) through ((+e) ~~hereof~~) (f)

15 (5) The treasurer shall:

16 (a) Receive, keep, and disburse all public funds of the state not

19 public funds of the institutions of higher learning which are not  
20 subject to appropriation;

21 (b) Disburse public funds under the treasurer's supervision or  
22 custody by warrant or check;

24 disbursed by the treasurer, classified by fund or account;

25 (d) Perform such other duties as may be required by law or by  
26 regulations issued pursuant to this law.

27 It shall be unlawful for the treasurer to issue any warrant or  
28 check for public funds in the treasury except upon forms duly  
29 prescribed by the director of financial management. Said forms shall  
30 provide for authentication and certification by the agency head or the

1 agency head's designee that the services have been rendered or the  
2 materials have been furnished; or, in the case of loans or grants, that  
3 the loans or grants are authorized by law; or, in the case of payments  
4 for periodic maintenance services to be performed on state owned  
5 equipment, that a written contract for such periodic maintenance  
6 services is currently in effect and copies thereof are on file with the  
7 office of financial management; and the treasurer shall not be liable  
8 under the treasurer's surety bond for erroneous or improper payments so  
9 made: PROVIDED, That when services are lawfully paid for in advance of  
10 full performance by any private individual or business entity other  
11 than as provided for by RCW 42.24.035, such individual or entity other  
12 than central stores rendering such services shall make a cash deposit  
13 or furnish surety bond coverage to the state as shall be fixed in an  
14 amount by law, or if not fixed by law, then in such amounts as shall be  
15 fixed by the director of the department of general administration but  
16 in no case shall such required cash deposit or surety bond be less than  
17 an amount which will fully indemnify the state against any and all  
18 losses on account of breach of promise to fully perform such services:  
19 AND PROVIDED FURTHER, That no payments shall be made in advance for any  
20 equipment maintenance services to be performed more than three months  
21 after such payment. Any such bond so furnished shall be conditioned  
22 that the person, firm or corporation receiving the advance payment will  
23 apply it toward performance of the contract. The responsibility for  
24 recovery of erroneous or improper payments made under this section  
25 shall lie with the agency head or the agency head's designee in  
26 accordance with regulations issued pursuant to this chapter. Nothing  
27 in this section shall be construed to permit a public body to advance  
28 funds to a private service provider pursuant to a grant or loan before  
29 services have been rendered or material furnished.

30 (6) The state auditor shall:

1       (a) Report to the legislature the results of current post audits  
2 that have been made of the financial transactions of each agency; to  
3 this end the auditor may, in the auditor's discretion, examine the  
4 books and accounts of any agency, official or employee charged with the  
5 receipt, custody or safekeeping of public funds. The current post  
6 audit of each agency may include a section on recommendations to the  
7 legislature as provided in (c) of this subsection.

8       (b) Give information to the legislature, whenever required, upon  
9 any subject relating to the financial affairs of the state.

10      (c) Make the auditor's official report on or before the thirty-

12 report shall be for the last complete fiscal period and shall include  
13 at least the following:

14       Determinations as to whether agencies, in making expenditures,  
15 complied with the laws of this state: PROVIDED, That nothing in this  
16 section may be construed to grant the state auditor the right to  
17 perform performance audits. A performance audit for the purpose of  
18 this section is the examination of the effectiveness of the  
19 administration, its efficiency, and its adequacy in terms of the  
20 programs of departments or agencies as previously approved by the  
21 legislature. The authority and responsibility to conduct such an  
22 examination shall be vested in the legislative budget committee as  
23 prescribed in RCW 44.28.085.

24      (d) Be empowered to take exception to specific expenditures that  
25 have been incurred by any agency or to take exception to other  
26 practices related in any way to the agency's financial transactions and  
27 to cause such exceptions to be made a matter of public record,  
28 including disclosure to the agency concerned and to the director of  
29 financial management. It shall be the duty of the director of  
30 financial management to cause corrective action to be taken promptly,

1 such action to include, as appropriate, the withholding of funds as  
2 provided in RCW 43.88.110.

3 (e) Promptly report any irregularities to the attorney general.

16 expenditures have complied with the will of the legislature and in this  
17 connection, may take exception to specific expenditures or financial  
18 practices of any agencies; and

19 (ii) Such plans as it deems expedient for the support of the  
20 state's credit, for lessening expenditures, for promoting frugality and
