7 (1) Any change in the number of full and part-time district judges
8 after January 1, 1992, shall be determined by the legislature after
9 receiving a recommendation from the administrator for the courts. The
10 administrator for the courts shall make its recommendations to the
11 legislature based on a weighted caseload analysis that takes into
12 account the following:

13 (a) The extent of time that existing judges have available to hear
14 cases in that court;

15 (b) A measurement of the judicial time needed to process various
16 types of cases;

17 (c) A determination of the time required to process each type of
18 case to the individual court workload;

19 (d) A determination of the amount of a judge's annual work time
20 that can be devoted exclusively to processing cases; and

21 (e) An assessment of judicial resource needs, including annual case
22 filings, and case weights and the judge year value determined under the
23 weighted caseload method.

24 (2) The administrator for the courts may consult with the board of
25 judicial administration, the judicial council, and the district and
26 municipal court judge's association in developing the procedures and
27 methods of applying the weighted caseload analysis.

28 (3) For each recommended change from the number of full and part-
29 time district judges in any county as of January 1, 1992, the
30 administrator for the courts shall complete a judicial impact note

1 detailing any local or state cost associated with such recommended
2 change.

3 (4) The administrator for the courts shall provide any recommended
4 change in the number of full and part-time district judges after
5 January 1, 1992, to the law and justice committee of the senate, the
6 judiciary committee of the house of representatives, and the office of
7 financial management, no later than December 1st of each year.

8 (5) If the legislature approves an increase in the base number of
9 district judges in any county as of January 1, 1992, such increase in
10 the base number of district judges and all related costs may be paid
11 for by the county from moneys provided under RCW 82.14.310, and any
12 such costs shall be deemed to be expended for criminal justice purposes
13 as provided in RCW 82.14.315, and such expenses shall not constitute a
14 supplanting of existing funding.

15 (6) Any change in the base number of district judges in any county
16 shall occur in increments of one full-time equivalent.

17 (7)(a) A county legislative authority that desires to change the
18 number of full or part-time district judges from the base number on
19 January 1, 1992, must first request the assistance of the administrator
20 for the courts. The administrator for the courts shall conduct a
21 weighted caseload analysis and make a recommendation of its findings to
22 the legislature for consideration as provided in this section.

23 (b) The legislative authority of any county may change a part-time
24 district judge position to a full-time position.

25 NEW SECTION. Sec. 3. A new section is added to chapter 3.34 RCW
26 to read as follows:

27 Any additional district judge positions created under RCW 3.34.020
28 shall be effective only if the legislative authority of the affected
29 county documents its approval of any additional positions and its

1 agreement that it will pay out of county funds, without reimbursement
2 from the state, the expenses of such additional judicial positions as
3 provided by statute. The additional expenses include, but are not
4 limited to, expenses incurred for court facilities. The legislative
5 authority of any such county may, at its discretion, phase in any
6 judicial positions over a period of time not to exceed two years from
7 the effective date of the additional district judge positions.

8 NEW SECTION. **Sec. 4.** The administrator for the courts shall
9 compile a report for the law and justice committee of the senate and
10 the judiciary committee of the house of representatives no later than
11 December 1, 1991, that documents the number of full and part-time
12 district judges by county, and a process to be used in applying a
13 weighted caseload analysis to changing the number of district judges
14 after the effective date of this act. The report may recommend any
15 suggested changes that may be made to a weighted caseload analysis, its
16 impact, costs, or any other issues affecting the number of district
17 judges in the state.
