11 28A.150.100. The enrollment of any district shall be the annual
12 average number of full time equivalent students and part time students
13 as provided in RCW 28A.150.350, enrolled on the first school day of
14 each month and shall exclude full time equivalent handicapped students
15 recognized for the purposes of allocation of state funds for programs

25 provisions relating to direct classroom contact hours for individual
26 teachers in that district may be waived by the state board of education
27 if the waiver is necessary to implement a locally approved plan for
28 educational excellence and the waiver is limited to those individual
29 teachers approved in the local plan for educational excellence. The
30 state board of education shall develop criteria to evaluate the need

1 for the waiver. Granting of the waiver shall depend upon verification
2 that: (a) The students' classroom instructional time will not be
3 reduced; and (b) the teacher's expertise is critical to the success of
4 the local plan for excellence.

12 existing nonhigh school district of any secondary program or any new
