1 AN ACT Relating to accountability and collaboration in higher

3 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 28B.10 RCW
6 to read as follows:

7 The legislature finds that some college students who have recently
8 graduated from high school must immediately enroll in one or more
9 precollege classes before they can proceed successfully through
10 college. The legislature also finds that these students should have
11 received basic skills in English, reading, spelling, grammar, and
12 mathematics before graduating from high school. It is the intent of
13 the legislature that colleges and universities provide information to
14 school districts about recent graduates who enroll in precollege
15 classes. It is also the intent of the legislature to encourage
16 institutions of higher education and the common schools to work
17 together to solve problems of common concern.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 28B.10 RCW
2 to read as follows:

3 By September 30th of each year, each state university, regional
4 university, state college, and, for community colleges and technical
5 colleges, the state board for community and technical colleges shall
6 provide a report to the office of the superintendent of public
7 instruction, the state board of education, and the commission on
8 student learning under RCW 28A.630.885. The report shall contain the
9 following information on students who, within three years of graduating
10 from a Washington high school, enrolled the prior year in a state-
11 supported precollege level class at the institution: (1) The number of
12 such students enrolled in a precollege level class in mathematics,
13 reading, grammar, spelling, writing, or English; (2) the types of
14 precollege classes in which each student was enrolled; and (3) the name
15 of the Washington high school from which each student graduated.

16 For students who enrolled in a precollege class within three years
17 of graduating from a Washington high school, each institution of higher
18 education shall also report to the Washington high school from which
19 the student graduated. The annual report shall include information on
20 the number of students from that high school enrolled in precollege
21 classes, and the types of classes taken by the students.
