State of Washington**54th Legislature****1995 Regular Session**

By House Committee on Higher Education (originally sponsored by Representatives Mason, Mulliken, Jacobsen, Chopp, Regala and Conway; by request of Higher Education Coordinating Board)

Read first time 02/20/95.

1 AN ACT Relating to the doctoral fellowship for faculty diversity
2 program; adding a new chapter to Title 28B RCW; and making an
3 appropriation.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that encouraging
6 outstanding students to become faculty members in institutions of
7 higher education is of paramount importance. The legislature further
8 finds that ethnic minority faculty members are underrepresented in
9 institutions of higher education in Washington state.

10 Therefore, the doctoral fellowship for faculty diversity program is
11 created to increase the number of ethnic minorities available to teach
12 at the college and university level in academic disciplines in which
13 ethnic minorities are demonstrably underrepresented. Additionally the
14 purpose of this chapter is to create a partnership between the state,
15 institutions of higher education, and students that will lead to
16 greater participation of ethnic minorities in the ranks of college and
17 university faculties. Third, the faculty diversity program is created
18 to supplement funding from foundations and institutions for minority
19 doctoral students.

1 The legislature intends to encourage minority doctoral students to
2 teach in Washington institutions of higher education, encourage
3 institutions of higher education to mentor and place doctoral scholars
4 into faculty positions, and to provide supplemental funding to support
5 the minority doctoral students, thereby, enhancing opportunities and
6 educational quality for all Washington citizens.

7 NEW SECTION. **Sec. 2.** Unless the context clearly requires
8 otherwise, the definitions in this section apply throughout this
9 chapter.

16 program at an institution of higher education in the state of

5 NEW SECTION. **Sec. 4.** The board shall establish a planning
6 committee to develop criteria for the screening and selection of
7 recipients of scholarships under this chapter. Criteria shall
8 emphasize factors demonstrating academic potential as a faculty member
9 in an institution of higher education, an interest in serving as a
10 faculty member in Washington, and leadership ability. The criteria
11 shall include a priority for students willing to teach in academic
12 disciplines in which ethnic minorities are demonstrably
13 underrepresented.

14 NEW SECTION. **Sec. 5.** The board may award scholarships to students

18 ten thousand dollars per academic year. Students are eligible to
19 receive scholarships for a maximum of two academic years.

20 NEW SECTION. **Sec. 6.** The sum of dollars, or as much
