27 There is created the state fire defense board consisting of the
28 state fire marshal, a representative from the department of natural
29 resources appointed by the commissioner of public lands, the assistant
30 director of the emergency management division of the department of
31 community, trade, and economic development, and one representative
32 selected by each regional fire defense board in the state. Members of
33 the state fire defense board shall select from among themselves a
34 chairperson. Members serving on the board do so in a voluntary
35 capacity and are not eligible for reimbursement for meeting-related
36 expenses from the state.

37 The state fire defense board shall develop and maintain the
38 Washington state fire services mobilization plan, which shall include

1 the procedures to be used during fire emergencies for coordinating
2 local, regional, and state fire jurisdiction resources. The Washington
3 state fire services mobilization plan shall be consistent with, and
4 made part of, the Washington state comprehensive emergency management
5 plan. The director shall review the fire services mobilization plan as
6 submitted by the state fire defense board and after consultation with
7 the fire protection policy board, recommend changes that may be
8 necessary, and approve the fire services mobilization plan for
9 inclusion within the state comprehensive emergency management plan.

10 It is the responsibility of the ~~((director))~~ chief of the
11 Washington state patrol to mobilize jurisdictions under the Washington
12 state fire services mobilization plan. The state fire marshal shall
13 serve as the state fire resources coordinator when the Washington state
14 fire services mobilization plan is mobilized.

15 **Sec. 12.** RCW 38.54.050 and 1992 c 117 s 13 are each amended to
16 read as follows:

17 The department of community, trade, and economic development in

22 Washington state fire services mobilization plan.

23 **Sec. 13.** RCW 43.43.710 and 1987 c 486 s 11 are each amended to
24 read as follows:

25 Information contained in the files and records of the section
26 relative to the commission of any crime by any person shall be
27 considered privileged and shall not be made public or disclosed for any
28 personal purpose or in any civil court proceedings except upon a
29 written order of the judge of a court wherein such civil proceedings
30 are had. All information contained in the files of the section
31 relative to criminal records and personal histories of persons arrested
32 for the commission of a crime shall be available to all criminal
33 justice agencies ~~((and, for the sole purpose of investigating the cause~~
34 ~~of fires under RCW 48.48.060(2) where the cause is suspected to be~~

37 RCW 43.43.705.

1 Although no application for information has been made to the
2 section as provided in RCW 43.43.705, the section may transmit such

5 **Sec. 14.** RCW 43.63A.300 and 1993 c 280 s 68 are each amended to
6 read as follows:

7 The legislature finds that fire protection services at the state
8 level are provided by different, independent state agencies. This has
9 resulted in a lack of a comprehensive state-level focus for state fire
10 protection services, funding, and policy. The legislature further
11 finds that the paramount duty of the state in fire protection services
12 is to enhance the capacity of all local jurisdictions to assure that
13 their personnel with fire suppression, prevention, inspection, origin
14 and cause, and arson investigation responsibilities are adequately
15 trained to discharge their responsibilities. It is the intent of the
16 legislature to consolidate fire protection services into a single state
17 agency and to create a state board with the responsibility of (1)
18 establishing a comprehensive state policy regarding fire protection
19 services and (2) advising the ~~((director of community, trade, and~~
20 ~~economic development))~~ chief of the Washington state patrol and the
21 director of fire protection on matters relating to their duties under
22 state law. It is also the intent of the legislature that the fire
23 protection services program created herein will assist local fire
24 protection agencies in program development without encroaching upon
25 their historic autonomy. It is the further intent of the legislature
26 that the fire protection services program be implemented incrementally
27 to assure a smooth transition, to build local, regional, and state
28 capacity, and to avoid undue burdens on jurisdictions with limited
29 resources.

30 **Sec. 15.** RCW 43.63A.310 and 1986 c 266 s 55 are each amended to
31 read as follows:

32 There is created the state fire protection policy board consisting
33 of ~~((ten))~~ eight members appointed by the governor:

- 7 (8) One representative of fire control programs of the department
- 8 of natural resources.

9 In making the appointments required under subsections (1) through
10 (7) of this section, the governor shall (a) seek the advice of and

12 that racial minorities, women, and persons with disabilities are
13 represented.

14 The terms of the appointed members of the board shall be three
15 years and until a successor is appointed and qualified. However,
16 initial board members shall be appointed as follows: Three members to
17 terms of one year, three members to terms of two years, and four
18 members to terms of three years. In the case of a vacancy of a member
19 appointed under subsections (1) through (7) of this section, the
20 governor shall appoint a new representative to fill the unexpired term
21 of the member whose office has become vacant. A vacancy shall occur
22 whenever an appointed member ceases to be employed in the occupation
23 the member was appointed to represent. The members of the board
24 appointed pursuant to subsections (1) and (5) of this section and
25 holding office on the effective date of this section shall serve the
26 remainder of their terms, and the reduction of the board required by
27 section 15, chapter ---, Laws of 1995 (this section), shall occur upon
28 the expiration of their terms.

29 The appointed members of the board shall be reimbursed for travel
30 expenses under RCW 43.03.050 and 43.03.060.
