8            NEW SECTION.    **Sec. 1.**    It is the intent of the legislature to

13 discussion during the 1996 legislative session for future decisions and  
14 final legislative action in 1997.

15            The purpose of this act is to provide tuition increases for public  
16 institutions of higher education as a transition measure until final  
17 action is taken in 1997.

1       **Sec. 2.** RCW 28B.15.031 and 1993 sp.s. c 18 s 6 and 1993 c 379 s

4 universities, and The Evergreen State College, and the state board for  
5 community and technical colleges, on behalf of the community colleges  
6 and technical colleges, shall each adopt necessary rules and  
7 regulations to implement this section.

8 (8) First priority for any guaranteed long-term loans made under  
9 this section shall be directed toward students who would not normally  
10 have access to educational loans from private financial institutions in  
11 Washington state, and maximum use shall be made of secondary markets in  
12 the support of loan consolidation.

13 (9) Short-term loans, not to exceed one year, may be made from the  
14 institutional financial aid fund to students enrolled in the  
15 institution. No such loan shall be made to any student who is known by  
16 the institution to be in default or delinquent in the payment of any  
17 outstanding student loan. A short-term loan may be made only if the  
18 institution has ample evidence that the student has the capability of  
19 repaying the loan within the time frame specified by the institution  
20 for repayment.

21 (10) Any moneys deposited in the institutional financial aid fund  
22 that are not used in making long-term or short-term loans may be used  
23 by the institution for locally-administered financial aid programs for  
24 needy students, such as need-based institutional employment programs or  
25 need-based tuition and fee scholarship or grant programs. These funds  
26 shall be used in addition to and not to replace institutional funds  
27 that would otherwise support these locally-administered financial aid  
28 programs. First priority in the use of these funds shall be given to  
29 needy students who have accumulated excessive educational loan burdens.  
30 An excessive educational loan burden is a burden that will be difficult  
31 to repay given employment opportunities and average starting salaries  
32 in the student's chosen fields of study. Second priority in the use of  
33 these funds shall be given to needy single parents, to assist these  
34 students with their educational expenses, including expenses associated  
35 with child care and transportation.
