5 On page 2, after line 6, insert the following:

6 "In order for the board to designate a restricted liquor zone, it  
7 must obtain, from the appropriate municipality or county, quantifiable  
8 data that supports the need to establish a restricted liquor zone in a  
9 specific area. The data provided must include: A survey of the actual  
10 number of public inebriates inhabiting the area that is being  
11 considered as a restricted liquor zone; where such individuals reside,  
12 such as half-way houses, shelters, or private residences; and the  
13 number of reported police incidents involving the public consumption of  
14 alcohol, the illegal sale of alcoholic beverages to inebriated  
15 individuals, and other alcohol-related offenses in the area that is  
16 being considered as a restricted liquor zone."
