10 as follows:

11 The department of licensing shall not consider an application of
12 any minor under the age of eighteen years for a driver's license or the
13 issuance of a motorcycle endorsement for a particular category unless:

14 (1) The ((application is also signed by a)) parent or guardian
15 having the custody of ((such)) the minor, or ((in the event a minor
16 under the age of eighteen)) the minor's employer if he or she has no
17 father, mother, or guardian((, then a driver's license shall not be
18 issued to the minor unless his or her application is also signed by the
19 minor's employer; and)):

10 course, conducted by a commercial driving instruction enterprise, that

12 public instruction and is officially approved by that office on an
13 annual basis((~~: PROVIDED, HOWEVER, That~~)). The director may upon a
14 showing that an applicant was unable to take or complete a driver
15 education course waive that requirement if the applicant shows to the
16 satisfaction of the department that a need exists for the applicant to
17 operate a motor vehicle and he or she has the ability to operate a
18 motor vehicle in such a manner as not to jeopardize the safety of
19 persons or property, under rules ((to be promulgated)) adopted by the
20 department in concert with the supervisor of the traffic safety
21 education section, office of the superintendent of public instruction.
22 For a person under the age of eighteen years to obtain a motorcycle
23 endorsement, he or she must successfully complete a motorcycle safety
24 education course that meets the standards established by the department
25 of licensing.

26 The department may waive any education requirement under this
27 subsection for an applicant previously licensed to drive a motor
28 vehicle or motorcycle outside this state if the applicant provides
29 proof satisfactory to the department that he or she has had education
30 equivalent to that required under this subsection.

31 (3) Until the minor turns eighteen years of age, the parent or
32 guardian who signed the application may rescind his or her signature
33 and terminate the driving privilege upon payment of a five-dollar fee.

34 NEW SECTION. Sec. 2. A new section is added to chapter 28A.220
35 RCW to read as follows:

36 The superintendent of public instruction, in consultation with the
37 department of licensing, shall adopt rules that establish a supervised
38 driving practice requirement that a minor under the age of eighteen

1 must satisfy in order to qualify for a driver's license. This
2 requirement is in addition to the behind-the-wheel training required
3 under RCW 28A.220.030 or 46.82.290.

4 (1) The rules must prescribe a required number of hours of practice
5 in operating a motor vehicle. The required number of hours must be no
6 less than fifteen hours and no more than fifty. The rules may require
7 that the required hours include nighttime driving.

8 (2) In order for practice hours to count towards the requirement,
9 the minor must hold a valid Washington learner's permit and must be
10 accompanied by a licensed driver who has at least five years of driving
11 experience and is occupying a seat beside the driver.

12 **Sec. 3.** RCW 28A.220.030 and 1979 c 158 s 196 are each amended to
13 read as follows:

14 (1) The superintendent of public instruction ((~~is authorized to~~))
15 shall establish a section of traffic safety education, and through such
16 section shall: Define a "realistic level of effort" required to
17 provide an effective traffic safety education course, establish a level
18 of driving competency required of each student to successfully complete
19 the course, and ensure that an effective state-wide program is
20 implemented and sustained, administer, supervise, and develop the
21 traffic safety education program and shall assist local school
22 districts in the conduct of their traffic safety education programs.
23 The superintendent shall adopt necessary rules and regulations
24 governing the operation and scope of the traffic safety education
25 program; and each school district shall submit a report to the
26 superintendent on the condition of its traffic safety education
27 program(: ~~PROVIDED, That~~). The superintendent shall monitor the
28 quality of the program and carry out the purposes of this chapter.

29 (2) Effective September 1, 1999, the traffic safety education
30 curriculum established by the superintendent under subsection (1) of
31 this section must include a mandatory minimum of five hours of behind-
32 the-wheel training for each student. The training must include a
33 comprehensive driving skills test and individual knowledge test that a
34 student must pass in order to receive a passing grade from a traffic
35 safety education class.

36 (3) Effective September 1, 2000, the required curriculum must
37 include a mandatory minimum of six hours of behind-the-wheel training
38 for each student. In addition to the requirements of subsection (2) of

1 this section, the training must include one training session for each
2 student where the student drives a vehicle equipped with a device that
3 simulates the loss of vehicular control that can occur when a vehicle
4 skids from loss of traction. If a school is unable to provide training
5 with the device, the six-hour training requirement is reduced to five
6 and one-half hours. The superintendent may authorize the use of
7 another training device in lieu of the device described in this section
8 if the superintendent concludes that the alternative device is as
9 effective.

10 (4) The superintendent's curriculum must include a provision that
11 the additional two hours of behind-the-wheel training required under
12 subsections (2) and (3) of this section are not required of students
13 who demonstrate to the instructor of the traffic safety education
14 course that the student possesses the driving skills necessary to
15 safely operate a motor vehicle upon a highway and:

- 16 (a) Have held a juvenile agricultural driving permit under RCW
17 46.20.070 before enrolling in a traffic safety education course; or
- 18 (b) Previously held a driver's license in another state.

19 (5) The superintendent shall establish a required minimum number of
20 hours of continuing traffic safety education for traffic safety
21 education instructors. The superintendent may phase in the requirement
22 over not more than five years.

23 (6) The board of directors of any school district maintaining a
24 secondary school which includes any of the grades 10 to 12, inclusive,
25 may establish and maintain a traffic safety education course. If a
26 school district elects to offer a traffic safety education course and
27 has within its boundaries a private accredited secondary school which
28 includes any of the grades 10 to 12, inclusive, at least one class in
29 traffic safety education shall be given at times other than regular
30 school hours if there is sufficient demand therefor.

31 ((+3+)) (7) The board of directors of a school district, or
32 combination of school districts, may contract with any drivers' school
33 licensed under the provisions of chapter 46.82 RCW to teach the
34 laboratory phase of the traffic safety education course. Instructors
35 provided by any such contracting drivers' school must be properly
36 qualified teachers of traffic safety education under the joint
37 qualification requirements adopted by the superintendent of public
38 instruction and the director of licensing.

1 **Sec. 4.** RCW 46.82.290 and 1979 ex.s. c 51 s 2 are each amended to
2 read as follows:

4 and enforcement of the law pertaining to driver training schools as set
5 forth in this chapter.

6 (2) The director ((~~is authorized to~~)) may adopt and enforce such
7 reasonable rules as may be consistent with and necessary to carry out
8 this chapter.

9 (3) The director shall adopt a driver training curriculum
10 established by the superintendent of public instruction. The
11 curriculum must include a mandatory minimum of six hours of behind-the-
12 wheel training and an individual knowledge test for each student. The
13 six hours of training must include a comprehensive driving skills test
14 that a student must pass in order to receive a certificate of
15 completion from a driver training school.

16 **Sec. 5.** RCW 28A.220.040 and 1984 c 258 s 331 are each amended to
17 read as follows:

18 (1) Each school district shall be reimbursed from funds
19 appropriated for traffic safety education((~~: PROVIDED, That~~)).

20 (a) The state superintendent shall determine the per-pupil
21 reimbursement amount for the traffic safety education course to be
22 funded by the state. Each school district offering an approved
23 standard traffic safety education course shall be reimbursed or granted
24 an amount up to the level established by the superintendent of public
25 instruction as may be appropriated.

26 (b) The state superintendent shall only provide per-pupil
27 reimbursements to school districts where all the traffic educators have
28 satisfied the continuing education requirement of RCW 28A.220.030(5).

29 (c) If a school district is unable to provide the training required
30 by RCW 28A.220.030(3), the district reimbursement is reduced by the
31 amount necessary to fund one-half hour of behind-the-wheel training.

32 (2) The board of directors of any school district or combination of
33 school districts may establish a traffic safety education fee, which
34 fee when imposed shall be required to be paid by any duly enrolled
35 student in any such school district prior to or while enrolled in a
36 traffic safety education course. Traffic safety education fees
37 collected by a school district shall be deposited with the county

1 treasurer to the credit of such school district, to be used to pay
2 costs of the traffic safety education course.

3 **Sec. 6.** RCW 46.20.091 and 1998 c 41 s 11 are each amended to read
4 as follows:

5 (1) Every application for an instruction permit or for an original
6 driver's license shall be made upon a form prescribed and furnished by
7 the department which shall be sworn to and signed by the applicant
8 before a person authorized to administer oaths. The form must include
9 a section for the applicant to indicate whether he or she has received
10 driver training and, if so, where. An applicant making a false
11 statement under this subsection is guilty of false swearing, a gross
12 misdemeanor, under RCW 9A.72.040. Every application for an instruction
13 permit containing a photograph shall be accompanied by a fee of
14 ((five)) ten dollars. The department shall forthwith transmit the fees
15 collected for instruction permits and temporary drivers' permits to the
16 state treasurer.

17 (2) Every such application shall state the name of record, date of
18 birth, sex, and Washington residence address of the applicant, and
19 briefly describe the applicant, and shall state whether the applicant
20 has theretofore been licensed as a driver or chauffeur, and, if so,
21 when and by what state or country, and whether any such license has
22 ever been suspended or revoked, or whether an application has ever been
23 refused, and, if so, the date of and reason for such suspension,
24 revocation, or refusal, and shall state such additional information as
25 the department shall require, including a statement that identifying
26 documentation presented by the applicant is valid.

27 (3) Whenever application is received from a person previously
28 licensed in another jurisdiction, the department shall request a copy
29 of such driver's record from such other jurisdiction. When received,
30 the driving record shall become a part of the driver's record in this
31 state.

32 (4) Whenever the department receives request for a driving record
33 from another licensing jurisdiction, the record shall be forwarded
34 without charge if the other licensing jurisdiction extends the same
35 privilege to the state of Washington. Otherwise there shall be a
36 reasonable charge for transmittal of the record, the amount to be fixed
37 by the director of the department.

1 **Sec. 7.** RCW 46.20.120 and 1990 c 9 s 1 are each amended to read as
2 follows:

3 (1) No new driver's license may be issued and no previously issued
4 license may be renewed until the applicant therefor has successfully
5 passed a driver licensing examination.

6 (a) However, the department may waive all or any part of the
7 examination of any person applying for the renewal of a driver's
8 license except when the department determines that an applicant for a
9 driver's license is not qualified to hold a driver's license under this
10 title.

11 (b) The department may also waive the actual demonstration of the
12 ability to operate a motor vehicle by a person who surrenders a valid
13 driver's license issued by the person's previous home state and who is
14 otherwise qualified to be licensed.

15 (c) The department may waive the written examination and the actual
16 demonstration of the ability to operate a motor vehicle for a driver
17 who passed a traffic safety education class offered by a Washington
18 state school district within one year of the date he or she applies for
19 a license if the driver earned at least ninety-five percent of the
20 total points available, as measured by numerical scoring.

21 (2) For a new license examination a fee of seven dollars shall be
22 paid by each applicant, in addition to the fee charged for issuance of
23 the license. A new license is one issued to a driver who has not been
24 previously licensed in this state or to a driver whose last previous
25 Washington license has been expired for more than four years.

26 Any person renewing his or her driver's license more than sixty
27 days after the license has expired shall pay a penalty fee of ten
28 dollars in addition to the renewal fee under RCW 46.20.181. The
29 penalty fee shall be deposited in the highway safety fund.

30 Any person who is outside the state at the time his or her driver's
31 license expires or who is unable to renew the license due to any
32 incapacity may renew the license within sixty days after returning to
33 this state or within sixty days after the termination of any such
34 incapacity without the payment of the penalty fee.

35 The department shall provide for giving examinations at places and
