3 28C.18.050, 28C.18.060, 50.38.050, 50.67.010, 42.17.310, and  
4 43.20A.080; reenacting and amending RCW 50.13.060; adding a new section  
5 to chapter 28C.18 RCW; adding a new chapter to Title 50 RCW; creating

7 28C.18.100, 28C.18.110, 50.67.020, and 50.67.030; prescribing  
8 penalties; providing an expiration date; and declaring an emergency.

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

10 NEW SECTION. **Sec. 1.** The legislature finds that Washington  
11 employers are having difficulty finding qualified applicants for jobs,  
12 particularly those requiring specialized skills. Many businesses are  
13 being forced to curtail expansion in Washington state.

14 The legislature finds that business surveys indicate that the  
15 availability of a skilled work force is the most important factor in  
16 business location decisions, particularly for high wage employers. Our  
17 state's rural development strategy requires a work force focus. Now  
18 more than ever, we need to have an explicit work force development  
19 strategy linked with our state economic development efforts.

1 The legislature also finds that the consequences for failing to  
2 upgrade the skills of our workers are enormous. Family incomes are  
3 increasingly linked with skills and training and those who cannot  
4 access training and education will continue to see declines in their  
5 income.

6 The legislature further finds that in order to succeed we must have  
7 a system of lifelong learning that allows workers to upgrade their  
8 skills while continuing to work. To achieve that goal we must have a  
9 work force development system that is linked directly to jobs, is  
10 easily accessible to working families, and can be accessed according to  
11 their own schedules. Perhaps more importantly, training and education  
12 must be skills-based and certified so that workers can attain certified  
13 skills that allow them to move up the job ladder over their lifetime.

14 The legislature recognizes that we must make certain that our  
15 public and private institutions of education place appropriate emphasis  
16 on the needs of employers and the needs of the approximately seventy-  
17 five percent of our young people who enter the world of work without  
18 completing a four-year program of higher education.

19 The legislature also recognizes that programs that prepare  
20 individuals for the work force, beginning with secondary school and  
21 continuing through postsecondary education, apprenticeships, and  
22 programs for the disadvantaged and for dislocated workers, must be a  
23 coordinated system that enables individuals to obtain skills demanded  
24 by employers, and enables individuals to smoothly move back and forth  
25 between work force development programs and employment.

26 To support that challenge a work force development system must  
27 focus on customer service and performance accountability. The  
28 following principles shall govern the work force development system:

29 (1) Provide consumers and policymakers ready access to information  
30 in order to make informed decisions related to training and employment;

31 (2) Create a work force development system based on a coherent  
32 economic development strategy;

33 (3) Hold the work force delivery system accountable for improved  
34 results in employment, earnings, skills gains, and customer  
35 satisfaction;

36 (4) Provide universal access to students, job seekers, and  
37 employers in order to hasten the time between job openings and jobs  
38 filled;

1 (5) Develop a strong leadership role for the private sector at the  
2 state and local levels;

3 (6) Establish and maintain state and local flexibility to ensure  
4 responsiveness to individuals and communities;

5 (7) Engage in a systematic effort to integrate the multiple  
6 programs and services that comprise the work force development system,  
7 including activities implemented through the state-wide one stop  
8 delivery system; and

9 (8) Strengthen the capacity of local communities to strategically  
10 guide work force development in their area and to shape local work  
11 force development policies.
