
HOUSE BILL 1691

State of Washington

57th Legislature

2001 Regular Session

By Representatives Fisher and Mitchell; by request of The Blue Ribbon Commission on Transportation

Read first time 02/01/2001. Referred to Committee on Transportation.

1 AN ACT Relating to requirements for providing transportation
2 funding; and adding a new section to chapter 47.05 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 47.05 RCW
5 to read as follows:

6 (1) The department, in cooperation with local governments, shall
7 direct a baseline allocation of funding to operations, maintenance,
8 preservation, and safety functions for state highways, county roads,
9 city streets, transit, ferries, and alternate modes.

10 (2) As a condition of receiving the baseline allocation of funding
11 established in subsection (1) of this section, all agencies and
12 jurisdictions must demonstrate the use of maintenance management
13 systems and pavement management systems to the legislature.

14 (3) As a condition of receiving any funding, the department,
15 cities, and counties must demonstrate, after an initial period of three
16 years, that their preservation investments are based on lowest life
17 cycle cost principles.

1 (4) Available grant programs must not be used to fund preservation
2 projects that are already funded from baseline fund allocations.
