By Representative Kenney; by request of Governor Locke

Read first time 02/02/2001. Referred to Committee on Higher Education.

1            AN ACT Relating to tuition setting authority and the use of tuition  
2 in higher education; amending RCW 28B.15.031, 28B.15.066, 28B.15.067,  
3 28B.15.069, and 28B.15.100; and creating new sections.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            NEW SECTION.    **Sec. 1.** It is the intent of the legislature to  
6 establish a permanent tuition policy for the state's public  
7 institutions of higher education. This policy recognizes that funding  
8 higher education is a shared responsibility of the state, the  
9 institutions of higher education, and the students and families served.  
10 This policy should maintain affordable tuition levels and predictable  
11 tuition rates so students and their families can plan and pay for  
12 access to public higher education. This policy should also extend  
13 tuition setting authority to institutions of higher education and the  
14 state board for community and technical colleges so they can respond to  
15 individual priority needs not addressed by the legislature. The  
16 legislature further intends that tuition revenue be used by each  
17 institution of higher education to provide student access to quality  
18 learning opportunities.

1       **Sec. 2.** RCW 28B.15.031 and 1996 c 142 s 2 are each amended to read  
2 as follows:

4 fees, other than building fees, charged all students registering at the  
5 state's colleges and universities but shall not include fees for short  
6 courses, self-supporting degree credit programs and courses, marine  
7 station work, experimental station work, correspondence or extension  
8 courses, and individual instruction and student deposits or rentals,  
9 disciplinary and library fines, which colleges and universities shall  
10 have the right to impose, laboratory, gymnasium, health, technology and  
11 student activity fees, or fees, charges, rentals, and other income  
12 derived from any or all revenue producing lands, buildings and  
13 facilities of the colleges or universities heretofore or hereafter  
14 acquired, constructed or installed, including but not limited to income  
15 from rooms, dormitories, dining rooms, hospitals, infirmaries, housing  
16 or student activity buildings, vehicular parking facilities, land, or  
17 the appurtenances thereon, or such other special fees as may be  
18 established by any college or university board of trustees or regents  
19 from time to time. All moneys received as operating fees at any  
20 institution of higher education shall be deposited in a local account  
21 containing only operating fees revenue and related interest: PROVIDED,  
22 That a minimum of three and one-half percent of operating fees shall be  
23 retained by the institutions(~~(, except the technical colleges,)~~) for
