16 district shall have the power to contract with other communities,
17 corporations, or individuals for the services provided by said
18 hospital district; and they may further receive in said hospitals
19 and other health care facilities and furnish proper and adequate
20 services to all persons not residents of said district at such
21 reasonable and fair compensation as may be considered proper:
22 PROVIDED, That it must at all times make adequate provision for
23 the needs of the district and residents of said district shall
