8 revitalization financing subject to the following conditions:

10 increment area within its boundaries and specifying the public
11 improvements proposed to be financed in whole or in part with the use
12 of community revitalization financing;

13 (2) The public improvements proposed to be financed in whole or in
14 part using community revitalization financing are expected to encourage
15 private development within the increment area and to increase the fair
16 market value of real property within the increment area;

17 (3) Private development that is anticipated to occur within the
18 increment area, as a result of the public improvements, will be
19 consistent with the countywide planning policy adopted by the county

10 the community revitalization financing of the project under chapter
11 212, Laws of 2001, for the project to proceed. Approval by the fire
12 protection district shall be considered as part of the required
13 participation by taxing districts under subsection (4) of this section.

14 **Sec. 2.** RCW 39.89.040 and 2001 c 212 s 4 are each amended to read
15 as follows:

16 (1) Public improvements that are financed with community

20 community revitalization financing.

21 (2) Public improvements that are constructed by a private developer
22 must meet all applicable state and local laws.

23 NEW SECTION. **Sec. 3.** A new section is added to chapter 39.89 RCW
24 to read as follows:

25 (1) A local government may issue revenue bonds to fund
26 revenue-generating public improvements, or portions of public
27 improvements, that are located within an increment area and that it is
28 authorized to provide or operate. Whenever revenue bonds are to be
29 issued, the legislative authority of the local government shall create
30 or have created a special fund or funds from which, along with any
31 reserves created pursuant to RCW 39.44.140, the principal and interest
32 on these revenue bonds shall exclusively be payable. The legislative
33 authority of the local government may obligate the local government to
34 set aside and pay into the special fund or funds a fixed proportion or
35 a fixed amount of the revenues from the public improvements that are
36 funded by the revenue bonds. This amount or proportion is a lien and
37 charge against these revenues, subject only to operating and

1 maintenance expenses. The local government shall have due regard for
2 the cost of operation and maintenance of the public improvements that
3 are funded by the revenue bonds, and shall not set aside into the
4 special fund or funds a greater amount or proportion of the revenues
5 that in its judgment will be available over and above the cost of
6 maintenance and operation and the amount or proportion, if any, of the
7 revenue previously pledged. The local government may also provide that
8 revenue bonds payable out of the same source or sources of revenue may
9 later be issued on a parity with any revenue bonds being issued and
10 sold.

11 (2) Revenue bonds issued pursuant to this section are not an
12 indebtedness of the local government issuing the bonds, and the
13 interest and principal on the bonds shall only be payable from the
14 revenues lawfully pledged to meet the principal and interest
15 requirements and any reserves created pursuant to RCW 39.44.140. The
16 owner or bearer of a revenue bond or any interest coupon issued
17 pursuant to this section shall not have any claim against the local
18 government arising from the bond or coupon except for payment from the
19 revenues lawfully pledged to meet the principal and interest
20 requirements and any reserves created pursuant to RCW 39.44.140. The
21 substance of the limitations included in this subsection shall be
22 plainly printed, written, or engraved on each bond issued pursuant to
23 this section.

24 (3) Revenue bonds with a maturity in excess of thirty years shall
25 not be issued. The legislative authority of the local government shall
26 by resolution determine for each revenue bond issue the amount, date,
27 form, terms, conditions, denominations, maximum fixed or variable
28 interest rate or rates, maturity or maturities, redemption rights,
29 registration privileges, manner of execution, manner of sale, callable
30 provisions, if any, and covenants including the refunding of existing
31 revenue bonds. Facsimile signatures may be used on the bonds and any
32 coupons. Refunding revenue bonds may be issued in the same manner as
33 revenue bonds are issued.

34 NEW SECTION. **Sec. 4.** RCW 39.89.901 (Expiration of chapter) and
35 2001 c 212 s 29 are each repealed.
