25 NEW SECTION. Sec. 3. A new section is added to chapter 67.70 RCW
26 to read as follows:

27 The shared game lottery account is created as a separate account
28 outside the state treasury. The account is managed, maintained, and
29 controlled by the commission and consists of all revenues received from
30 the sale of shared game lottery tickets or shares, and all other moneys
31 credited or transferred to it from any other fund or source under law.
32 The account is allotted according to chapter 43.88 RCW.

33 NEW SECTION. Sec. 4. A new section is added to chapter 67.70 RCW
34 to read as follows:

35 (1) The legislature recognizes that creating a shared game lottery
36 could result in less revenue being raised by the existing state lottery
37 ticket sales. The legislature further recognizes that the two funds

1 most impacted by this potential event are the student achievement fund
2 and the education construction account. Therefore, it is the intent of
3 the legislature to use some of the proceeds from the shared game
4 lottery to make up the difference that the potential state lottery
5 revenue loss would have on the student achievement fund and the
6 education construction account.

7 (2) The student achievement fund and the education construction
8 account are expected to collectively receive one hundred two million
9 dollars annually from state lottery games other than the shared game
10 lottery. For fiscal year 2003 and thereafter, if the amount of lottery
11 revenues earmarked for the student achievement fund and the education
12 construction account are less than one hundred two million dollars, the
13 commission must transfer sufficient moneys from revenues derived from
14 the shared game lottery into the student achievement fund and the
15 education construction account to bring the total revenue up to one
16 hundred two million dollars. The funds transferred from the shared
17 game lottery account under this subsection must be divided between the
18 student achievement fund and the education construction account in a
19 manner consistent with RCW 67.70.240(3).

20 (3) For fiscal year 2003 and thereafter, the commission must
21 transfer from revenues derived from the shared game lottery to the
22 division of alcohol and substance abuse in the department of social and
23 health services one million dollars, or as much thereof as may be
24 necessary, for the treatment of pathological gamblers as prescribed by
25 section 5 of this act.

26 (4) For fiscal year 2003 and thereafter, the commission must
27 transfer from revenues derived from the shared game lottery to the
28 Washington state gambling commission five hundred thousand dollars, or
29 as much thereof as may be necessary, for use in problem gambling
30 prevention, youth education, public awareness, training, and helpline
31 services.

32 (5) The remaining net revenues, if any, in the shared game lottery
33 account after the transfers must be deposited into the general fund.

34 NEW SECTION. **Sec. 5.** A new section is added to chapter 67.70 RCW
35 to read as follows:

36 (1) A program for the treatment of pathological gambling is
37 established within the department of social and health services, to be
38 administered by a qualified person who has training and experience in

1 handling pathological gambling problems or the organization and
2 administration of treatment services for persons suffering from
3 pathological gambling problems.

4 (2) To receive treatment under subsection (1) of this section, a
5 person must:

6 (a) Need treatment for pathological gambling, but be unable to
7 afford treatment; and

8 (b) Be targeted by the department of social and health services as
9 to be most amenable to treatment.

10 (3) Treatment under this section is limited to the funds available
11 to the department of social and health services.
