6 read as follows:

7 The county central committee of each major political party

16 hundred registered voters. The county auditor has discretion to  
17 designate more than one precinct committee office for each major

31 Correct the title.

**EFFECT:** Strikes the original bill. Requires county auditors to designate, for each major party, a precinct committee office for every 400 to 500 registered voters in the precinct. After consulting the chairs of the county central committees for all major parties, the county auditor may combine precincts for purposes of designating precinct committee offices if a precinct contains fewer than four hundred registered voters. The county auditor also has discretion to designate more than one precinct committee office per party per precinct if a precinct contains more than 500 registered voters.
