
HOUSE BILL 1459

State of Washington

58th Legislature

2003 Regular Session

By Representatives Pettigrew, Schoesler, Hunt, Chandler, Sullivan, Rockefeller, Eickmeyer, Grant, Hudgins, Cody, Voloria, Anderson, Berkey, Campbell, Wallace, McDermott, McDonald and Ruderman

Read first time 01/27/2003. Referred to Committee on Commerce & Labor.

1 AN ACT Relating to the marketing of bottled wine at farmers
2 markets; and amending RCW 66.24.170.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 66.24.170 and 2000 c 141 s 1 are each amended to read
5 as follows:

6 (1) There shall be a license for domestic wineries; fee to be
7 computed only on the liters manufactured: Less than two hundred fifty
8 thousand liters per year, one hundred dollars per year; and two hundred
9 fifty thousand liters or more per year, four hundred dollars per year.

10 (2) The license allows for the manufacture of wine in Washington
11 state from grapes or other agricultural products.

12 (3) Any domestic winery licensed under this section may also act as
13 a distributor and/or retailer of wine of its own production. Any
14 winery operating as a distributor and/or retailer under this subsection
15 shall comply with the applicable laws and rules relating to
16 distributors and/or retailers.

17 (4) A domestic winery licensed under this section, at locations
18 separate from any of its production or manufacturing sites, may serve
19 samples of its own products, with or without charge, and sell wine of

1 its own production at retail for off-premise consumption, provided
2 that: (a) Each additional location has been approved by the board
3 under RCW 66.24.010; (b) the total number of additional locations does
4 not exceed two; and (c) a winery may not act as a distributor at any
5 such additional location. Each additional location is deemed to be
6 part of the winery license for the purpose of this title. Nothing in
7 this subsection shall be construed to prevent a domestic winery from
8 holding multiple domestic winery licenses.

9 (5)(a) A domestic winery licensed under this section may apply to
10 the board for an endorsement to sell wine of its own production at
11 retail for off-premises consumption at a qualifying farmers market.
12 The annual fee for this endorsement is seventy-five dollars.

13 (b) For each month during which a domestic winery will sell wine at
14 a qualifying farmers market, the winery must provide the board or its
15 designee a list of the dates, times, and locations at which bottled
16 wine may be offered for sale. This list must be received by the board
17 before the winery may offer wine for sale at a qualifying farmers
18 market.

19 (c) The wine sold at qualifying farmers markets must be made
20 entirely from grapes grown in a recognized Washington appellation or
21 from other agricultural products grown in this state.

22 (d) Each approved location in a qualifying farmers market is deemed
23 to be part of the winery license for the purpose of this title. The
24 approved locations under an endorsement granted under this subsection
25 do not include the tasting or sampling privilege of a winery. The
26 winery may not store wine at a farmers market beyond the hours that the
27 winery offers bottled wine for sale.

28 (e) Before a winery may sell bottled wine at a qualifying farmers
29 market, the farmers market must apply to the board for authorization
30 for any winery with an endorsement approved under this subsection to
31 sell bottled wine at retail at the farmers market. This application
32 shall include, at a minimum: (i) A map of the farmers market showing
33 all booths, stalls, or other designated locations at which an approved
34 winery may sell bottled wine; and (ii) the name and contact information
35 for the on-site market managers who may be contacted by the board or
36 its designee to verify the locations at which bottled wine may be sold.
37 Before authorizing a qualifying farmers market to allow an approved
38 winery to sell bottled wine at retail at its farmers market location,

1 the board shall notify the persons or entities of such application for
2 authorization pursuant to RCW 66.24.010 (8) and (9). An authorization
3 granted under this subsection (5)(e) may be withdrawn by the board for
4 any violation of this title or any rules adopted under this title.

5 (f) The board may adopt rules establishing the application and
6 approval process under this section and such additional rules as may be
7 necessary to implement this section.

8 (g) For the purposes of this subsection:

9 (i) "Qualifying farmers market" means an entity that sponsors a
10 regular assembly of vendors at a defined location for the purpose of
11 promoting the sale of agricultural products grown or produced in this
12 state directly to the consumer under conditions that meet the following
13 minimum requirements:

14 (A) There are at least five participating vendors who are farmers
15 selling their own agricultural products;

16 (B) The total combined gross annual sales of vendors who are
17 farmers exceeds the total combined gross annual sales of vendors who
18 are processors or resellers;

19 (C) The total combined gross annual sales of vendors who are
20 farmers, processors, or resellers exceeds the total combined gross
21 annual sales of vendors who are not farmers, processors, or resellers;

22 (D) The sale of commercial items, imported items, and secondhand
23 items by any vendor is prohibited; and

24 (E) No vendor is a franchisee.

25 (ii) "Farmer" means a natural person who sells, with or without
26 processing, agricultural products that he or she raises on land he or
27 she owns or leases in this state or in another state's county that
28 borders this state.

29 (iii) "Processor" means a natural person who sells processed food
30 that he or she has personally prepared on land he or she owns or leases
31 in this state or in another state's county that borders this state.

32 (iv) "Reseller" means a natural person who buys agricultural
33 products from a farmer and resells the products directly to the
34 consumer.

35 (6) Wine produced in Washington state by a domestic winery licensee
36 may be shipped out-of-state for the purpose of making it into sparkling
37 wine and then returned to such licensee for resale. Such wine shall be

1 deemed wine manufactured in the state of Washington for the purposes of
2 RCW 66.24.206, and shall not require a special license.

--- END ---
