House Bills

HB 1003-S by House Committee on Technology, Telecommunications & Energy (originally sponsored by Representatives Morris, Linville, Wood, Anderson, O'Brien and Sullivan)

Creating the research and technology transfer commission.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Creates the biomedical research and technology transfer account in the custody of the state treasurer.

Provides that, beginning with money received in 2003 through 2007, an amount equal to ten percent of the annual receipts for the state of Washington under the master tobacco settlement agreement from the tobacco settlement account must be deposited into the account. Beginning in 2008, any amount in excess of one hundred million dollars received annually by the state of Washington under the master tobacco settlement agreement from the tobacco settlement account must be deposited into the account. Additionally, any court awards or court-approved or out-of-court settlements from actions taken by the attorney general against tobacco companies after the effective date of this act that are not specifically awarded for the benefit of identifiable parties to the legal action, or for court costs or attorneys' fees, or that are otherwise directed for deposit by statute, must be deposited into the account. Expenditures from the account may be used only for grants awarded by the research and technology transfer commission and for operation of the commission established under this act.

Creates the investing in innovation trust fund in the custody of the state treasurer.

Provides that all court awards or court-approved or out-of-court regulatory settlements from actions taken by the attorney general in the areas of telecommunications, energy, and technology that are not specifically awarded for the benefit of identifiable parties to the legal action, or for court costs or attorneys' fees, or that are otherwise directed for deposit by statute, must be deposited into the trust fund.

Creates the research and technology transfer commission.

Specifies the duties of the commission.

HB 2071 by Representatives Cox and Anderson

Changing education financing provisions.

Creates the basic education account in the state treasury. Money in the account shall be used to support basic education and to replace all or a part of the revenue raised through local levies and state funding for levy equalization, using the levy limitation formula in place on January 1, 2003. All revenue from RCW 82.08.020(3) must be deposited in the account.

Provides that expenditures from the account may be used for common school basic education and any additional common school student achievement purposes described in any act appropriating the funds.

Declares that there is levied and shall be collected an additional tax on each retail sale in this state equal to one percent of the selling price. The revenue collected under this provision shall be deposited in the basic education account created in this act.

Requires the secretary of state to submit this act to the people for their adoption and ratification, or rejection, at the next general election to be held in this state, in accordance

with Article II, section 1 of the state Constitution and the laws adopted to facilitate its operation.

HB 2072 by Representatives Hankins, Murray, Woods, Grant, Schoesler, Clements and Newhouse

Creating the Produce Railcar Pool.

Declares an intent to authorize and direct the Washington department of transportation to develop a railcar program for Washington's perishable commodity industries to be known as the Washington Produce Railcar Pool. This railcar program should be modeled from the Washington Grain Train program, but be made flexible enough to work with entities outside state government in order to fulfill its mission, including, but not limited to, the federal and local governments, commodity commissions, and private entities.

-- 2003 REGULAR SESSION --

Feb 24 First reading, referred to Transportation.

HB 2073 by Representatives Schoesler, Romero and Cox

Disposing of local government records.

Provides that, except as otherwise provided by law, county, municipal, and other local government agencies may, as an alternative to destroying noncurrent public records having no further administrative or legal value, donate the public records to the state library, local library, historical society, genealogical society, or similar society or organization; or auction the records through public auction.

Declares that public records may not be donated or auctioned under this provision unless: (1) The records are seventy years old or more;

(2) The local records committee has approved the destruction of the public records; and

(3) The state archivist has determined that the public records have no historic interest.

HB 2076 by Representatives Kenney, Cox, Fromhold, Chase, Miloscia, Conway, Berkey, Uptegrove, Moeller, Wood and Schual-Berke

Requiring a statewide strategic plan for higher education.

Directs the board to develop a statewide strategic plan for higher education in Washington state that proposes a vision, goals, priorities, and specific strategies for maintaining and expanding access, affordability, quality, efficiency, and accountability among the various institutions of higher education.

Provides that, in developing the statewide strategic plan, the board shall collaborate with the four-year institutions of higher education, the community and technical college system, and, when appropriate, the work force training and education coordinating board, the superintendent of public instruction, and the independent higher education institutions. The board shall also seek input from students, community and business leaders in the state, members of the legislature, and the governor.

Provides that as a foundation for the statewide strategic plan, the board shall develop and establish role and mission statements for each of the four-year institutions of higher education and the community and technical college system.

Establishes a joint select committee to review options pertaining to the higher education coordinating board.

Directs the joint select committee to examine the following issues: (1) Options for reassigning or altering the responsibilities of the board to administer financial aid and other programs;

(2) Options to strengthen, reduce, or eliminate other responsibilities of the board, including but not limited to review of institution operating and capital budget requests; approval of off-campus programs, centers, and consortia; monitoring institution performance measures; and gathering and analyzing data; and

(3) Options for having the board fulfill its other responsibilities through performance-based compacts between institutions of higher education and the state, with the board acting as the state's negotiator and performance monitor.

Requires the joint select committee to report its findings and recommendations to the legislature by December 15, 2003.

HB 2083 by Representatives Cody, Benson and Darneille

Establishing emergency service requirements for hospitals.

Requires a hospital to provide emergency services twenty-four hours per day, seven days per week in a designated area of the hospital. A hospital shall meet all the requirements for emergency facilities that are established by the department and shall provide emergency services in a manner that meets the requirements established by federal law for the medical screening and stabilization of patients, including women in active labor, who present to the hospital for emergency services.

Provides that a hospital providing emergency services under this act shall have, at a minimum, the following: (1) A physician who is qualified to provide emergency services immediately available in the hospital;

(2) A roster of on-call medical staff members; and

(3) Procedures to minimize a patient's risk until the patient is transported or transferred to another hospital if emergency services cannot be provided at the hospital to meet the needs of the patient in an emergency.

Requires a specialty hospital providing emergency services under this act to maintain a transfer agreement with a general hospital that establishes the process for patient transfers in a situation in which the specialty hospital cannot provide continuing care for a patient because of the specialty hospital's scope of services.

Senate Bills

SB 5118-S by Senate Committee on Financial Services, Insurance & Housing (originally sponsored by Senators Prentice, Winsley, Reardon, Schmidt, Esser, Zarelli and Keiser)

Providing funds to investigate and prosecute mortgage lending fraud.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that a surcharge of one dollar shall be charged by the county auditor at the time of recording of each residential first mortgage deed of trust, which will be in addition to any other charge authorized by law. The auditor may retain up to five percent of the funds collected to administer collection.

Requires the remaining funds to be transmitted monthly to the state treasurer who will deposit the funds into the mortgage lending fraud prosecution account created in this act.

Declares that the department of financial institutions is responsible for the distribution of the funds in the account and shall, in consultation with the attorney general and local prosecutors, develop rules for the use of these funds to pursue criminal prosecution of fraudulent activities within the mortgage lending process.

Expires June 30, 2006.

Provides that, before December 31st of every year, the department of financial institutions shall provide the senate and house of representatives committees that address matters related to financial institutions with a written report outlining the activity of the mortgage lending fraud prosecution account.

SB 5325-S by Senate Committee on Children & Family Services & Corrections (originally sponsored by Senators Winsley, Franklin, Kastama, Rasmussen, Oke and Regala)

Studying the economic impact of state facilities on local governments.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires the joint legislative audit and review committee to review the issue of the economic impacts of state facilities on local government. The committee, in its review, shall consider, but not be limited to, the following factors: Evaluation of economic benefits of state facilities on local economies and governments; evaluation of economic costs of state facilities on local economies and governments; comparison of costs and benefits from these facilities on local economies and governments; and evaluation of a method to measure such costs and benefits on an ongoing basis.

Requests the committee to consider such impacts from state hospitals, state correctional facilities, and state juvenile correctional institutions on local governments and economies.

Directs the committee to provide a final report on this review by December 1, 2004, to the appropriate legislative committees.

SB 5341-S by Senate Committee on Health & Long-Term Care (originally sponsored by Senators Winsley, Kline, Thibaudeau, Carlson, Parlette and Kohl-Welles)

Establishing a quality maintenance fee on nursing facilities.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, in addition to any other tax, a quality maintenance fee is imposed on every nursing facility operator in this state, to be calculated in accordance with this act.

Declares that a nursing facility operator's quality maintenance fee is determined each quarter by multiplying the patient days of each nursing facility operated by that person.

Requires each nursing facility operator to file a return with the department on a quarterly basis. The return is due within thirty days after the end of each calendar year quarter.

Provides that, by July 1, 2003, the department shall submit, for approval, an amendment to the state plan to include the quality maintenance fee, to the federal centers for medicare and medicaid services. The department shall, with due diligence, respond to any questions from the centers for medicare and medicaid services so that the approval process is not unnecessarily delayed.

Repeals RCW 74.46.421.

SB 5364-S by Senate Committee on Economic Development (originally sponsored by Senators Zarelli, T. Sheldon, Regala, B. Sheldon, Winsley, McAuliffe, Hale and Rasmussen; by request of Governor Locke)

Promoting economic development and community revitalization.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Recognizes that the state as a whole benefits from investment in public infrastructure because it promotes community and economic development. Public investment stimulates business activity and helps create jobs; stimulates the redevelopment of brownfields and blighted areas in the inner city; lowers the cost of housing; and promotes efficient land use.

Finds that these activities generate revenue for the state and that it is in the public interest to invest in these projects through a credit against the state sales and use tax to those local governments that can demonstrate the expected returns to the state.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, not later than December 31, 2003, the sentencing guidelines commission shall present to the legislature a plan for establishing pilot regional correctional facilities.

Requires the plan for establishing pilot regional correctional facilities to include, but is not limited to, the following: (1) A plan for increasing the space availability in local and county jails for pretrial detainees;

(2) An efficient and effective plan for joint use of total confinement beds by local and state government;

(3) A description of proposed shared and/or revised jurisdiction and operational responsibility, including the possibility of establishing a regional corrections authority;

(4) A summary of proposed changes to the criminal code reflecting revised housing jurisdiction;

(5) A description of the inmate population eligible for placement in pilot regional correctional facilities;

(6) A review of treatment services and programs intended to meet the needs of special populations including

drug and substance abuse, mental health, and special medical needs;

(7) An estimate of potential benefits to local and county jail operators and to the state, which could be realized by implementation of pilot programs;

(8) A proposed method for identifying pilot regional correctional facility sites;

(9) A methodology for evaluating the costs benefit of operation of pilot facilities; and

(10) Recommendations for shared funding of the construction and operation cost of the facilities from state and local resources.

SB 5945 by Senators Finkbeiner, Fraser, Swecker, Carlson, Fairley, Kohl-Welles, Esser, Regala and Kline

Establishing the Washington climate action registry.

Finds that: (1) It is in the best interest of the state of Washington, the United States of America, and the earth as a whole, to encourage voluntary actions to achieve all economically beneficial reductions of greenhouse gas emissions from Washington sources.

(2) Mandatory reductions of greenhouse gas emissions may eventually be imposed on Washington sources, and, consequently, the state has a responsibility to use its best efforts to ensure that organizations that voluntarily reduce their emissions receive appropriate consideration for reductions in emissions made before mandatory programs are implemented.

(3) Past programs in the state that took early and responsible action to reduce pollution and to save energy have demonstrated political, economic, and technological leadership, have benefited the state, and have saved taxpayers, business owners, and homeowners significant amounts of money.

(4) The state's tradition of environmental and energy leadership should be recognized by establishing a registry to provide documentation of reductions in greenhouse gas emissions that are voluntarily achieved by sources within the state.

(5) Greenhouse gas emissions exchanges are being established with the ability to buy and sell the rights to emissions reduction credits. Washington sources will benefit as mature traders in these markets in the future by early participation.

Establishing emergency service requirements for hospitals.

Requires a hospital to provide emergency services twenty-four hours per day, seven days per week in a designated area of the hospital. A hospital shall meet all the requirements for emergency facilities that are established by the department and shall provide emergency services in a manner that meets the requirements established by federal law for the medical screening and stabilization of patients, including women in active labor, who present to the hospital for emergency services.

Provides that a hospital providing emergency services under this act shall have, at a minimum, the following: (1) A physician who is qualified to provide emergency services immediately available in the hospital;

(2) A roster of on-call medical staff members; and

(3) Procedures to minimize a patient's risk until the patient is transported or transferred to another hospital if emergency services cannot be provided at the hospital to meet the needs of the patient in an emergency.

Requires a specialty hospital providing emergency services under this act to maintain a transfer agreement with a general hospital that establishes the process for patient transfers in a situation in which the specialty hospital cannot provide continuing care for a patient because of the specialty hospital's scope of services.
