

SHB 1380 - H AMD

By Representative Anderson

1 On page 2, line 34, strike "consideration shall be given to
2 recently completed, related finance studies" and insert "the
3 committee shall review and evaluate the work of previous education
4 finance studies including, but not limited to:

5 (i) the work conducted by the house appropriations subcommittee
6 on education finance structures in 2005 and studies on student
7 transportation and special education resulting from the
8 recommendations of that subcommittee;

9 (ii) the house K-12 finance workgroup in 2004;

10 (iii) the 2002 joint task force on local effort assistance;

11 (iv) the joint legislative fiscal committee on K-12 finance in
12 1995;

13 (v) the joint legislative audit and review committee study of
14 K-12 finance and performance in 1999;

15 (vi) the joint legislative audit review committee study on K-12
16 supplemental contracts in 1997;

17 (vii) the joint legislative audit and review committee studies
18 on special education in 1995 and 2001;

19 (viii) the washington state institute for public policy study
20 on the special education safety net in 1996;

21 (ix) the joint legislative audit and review committee K-12
22 vocational education funding study in 1996;

23 (x) the joint legislative fiscal study committee on K-12
24 finance of 1995;

25 (xi) the joint legislative audit and review committee study on
26 the K-12 transitional bilingual education program in 1992;

27 (xii) the washington state institute for public policy on
28 english language learners in K-12 in 2005; and

29 (xiii) the joint legislative audit and review committee study
30 on K-12 school bus bidding and purchasing in 2005"

EFFECT: Specifies the previous studies the steering committee must consider.
