

**SHB 1397** - H AMD

By Representative Anderson

1           On page 2, line 34, after "act)." insert "During rule  
2 development, the department of ecology shall convene an advisory  
3 group composed of industry and consumer group representatives. Any  
4 proposed rules or changes to rules shall be subject to review and  
5 comment by the advisory group, prior to rule adoption."

**EFFECT:** The Department of Ecology must convene an industry and consumer advisory group to review and comment on rules prior to adoption.
