

HB 1653 - H COMM AMD
By Committee on Housing

1 On page 1, line 11, after "soil" insert "of the residential
2 property"

3 On page 1, line 13, after "educate" insert "residential"

4 On page 2, line 3, after "exposure." insert "Testing of buildings
5 and land for the purpose of identifying the presence of lead shall be
6 limited to areas inside a residential dwelling, as well as yard areas
7 immediately surrounding the dwelling where children play. Commercial
8 and industrial buildings and properties shall not be tested through the
9 housing stock assessment program."

10 On page 2, line 10, after "affected" strike "property" and insert
11 "residential properties"

EFFECT: Clarifies that the lead assessment and education program only applies to residential housing stock and not to commercial and industrial establishments.
