13 takes effect June 1, 2006."

14 Correct the title.

EFFECT: Allows preassignment training to be approved rather than administered by department certified trainers, and eliminates the requirement that certificates of training issued by trainers to trainees be accepted as conclusive evidence of training completion. The monetary penalties that may be assessed by the Department of Licensing for certain record keeping violations are eliminated and the authority to assess monetary penalties as specified in the business and professions statute is adopted by reference. The effective date of the act is delayed one year.
