5 On page 5, line 32, after "fund." insert "Twenty percent of the
6 fees collected by the department under this section shall be
7 deposited in the water rights tracking system account established
8 in section 3 of this act.

9 NEW SECTION. Sec. 3. The water rights tracking system account
10 is created in the state treasury. Twenty percent of the fees
11 collected by the department according to RCW 90.03.470 must be
12 deposited in the account. Moneys in the account may be spent only
13 after appropriation. Expenditures from the account may be used by
14 the department of ecology for the development, implementation, and
15 management of a water rights tracking system, including a water
16 rights mapping system and a water rights database."

17 Correct the title.

EFFECT: Requires 20% of the fee revenues to be used for development, implementation, and management of a water rights tracking system. Creates the Water Rights Tracking System account in the state treasury for deposit of these funds. Includes a technical correction.
