

2SHB 2349 - H AMD TO H AMD 839 **852**
By Representative Morris

WITHDRAWN 2/13/2006

1 On page 1, line 6 of the amendment, after "purchase" strike
2 "all" and insert "up to 500 kilowatts of"

3 On page 1, line 7 of the amendment, after "power" insert "per
4 project"

5 On page 1, line 13 of the amendment, strike "all available"

EFFECT: Removes the requirement that state agencies purchase all available anaerobic digester power. Instead, it requires state agencies to purchase up to 500 kilowatts of anaerobic digester power per project.
