By Representative Alexander

1           On page 4, after line 23, insert "(7) Covered individuals, or  
2 groups of covered individuals, have the right to file a petition of  
3 appeal along with a signed affidavit to the office of the insurance  
4 commissioner when the covered individual can document increased out  
5 of pocket costs resulting from this act. Upon certification of the  
6 appeal, the office of the insurance commissioner shall direct the  
7 health care authority to reimburse the covered individual or groups  
8 of covered individuals from the state treasury."

9           Renumber the remaining subsection consecutively and correct  
10 internal references accordingly.

**EFFECT:** Allows a covered individual to file an affidavit documenting increased out of pocket costs resulting from the regulation of pharmacy benefit managers. Requires the health care authority to reimburse these individuals for their increased costs.
