

**2SHB 2582** - H AMD 728

By Representative Upthegrove

**ADOPTED 2/9/2006**

1           On page 2, line 13, after "study" insert ", on the college  
2 campus,"

3           On page 2, line 21, after "programs" strike all material  
4 through "campus" on line 22

5           On page 3, line 6, after "delivery." insert "Colleges may also  
6 make courses or programs under this section available for students  
7 at locations in addition to the college campus but not on a high  
8 school campus."

**EFFECT:** Requires colleges to offer the high school completion programs under the bill on the college campus, but also allows them to offer the programs at other locations (except at a high school).
