**ESB 5962** - H AMD

By Representative Blake

1           On page 3, line 10, after "livestock," insert "shellfish,"

2           On page 3, line 15, after "livestock" strike "or" and insert ",  
3 ((~~or~~))"

4           On page 3, line 16, after "commodities" insert ", or cultured  
5 aquatic products"

**EFFECT:** Amends the air pollution provisions related to agricultural activity to add production of shellfish to the definition of "agricultural activity" and use for cultured aquatic products to the "agricultural land" definition.
