1 On page 8, beginning on line 6, strike all of section 5 and insert
2 the following:

3 "NEW SECTION. **Sec. 5.** A new section is added to chapter 29A.40
4 RCW to read as follows:

5 (1) The county auditor shall accept and count absentee ballots for
6 persons serving in the United States armed forces stationed outside the
7 United States in accordance with this section and RCW 29A.40.110. For
8 a member of the armed forces stationed outside the United States who
9 receives an absentee ballot on or after the date of the election, in
10 order to have his or her ballot counted, he or she must attach an
11 affidavit signed by the person and his or her commanding officer,
12 stating the date on which the ballot was received.

13 (2) All absentee ballots received from persons under subsection (1)
14 of this section at any time whether before or after certification of
15 the election, until any and all recounts have concluded and been
16 certified, shall be counted.

17 **Sec. 6.** RCW 29A.40.110 and 2003 c 111 s 1011 are each amended to
18 read as follows:

19 (1) The opening and subsequent processing of return envelopes for
20 any primary or election may begin (~~(on or after the tenth day before~~
21 ~~the primary or election)) upon receipt. The tabulation of absentee
22 ballots must not commence until after 8:00 p.m. on the day of the
23 primary or election.~~

24 (2) All received absentee return envelopes must be placed in secure
25 locations from the time of delivery to the county auditor until their
26 subsequent opening. After opening the return envelopes, the county
27 canvassing board shall place all of the ballots in secure storage until
28 after 8:00 p.m. of the day of the primary or election. Absentee
29 ballots that are to be tabulated on an electronic vote tallying system
30 may be taken from the inner envelopes and all the normal procedural
31 steps may be performed to prepare these ballots for tabulation.

1 (3) Before opening a returned absentee ballot, the canvassing
2 board, or its designated representatives, shall examine the postmark,
3 statement, and signature on the return envelope that contains the
4 security envelope and absentee ballot. They shall verify that the
5 voter's signature on the return envelope is the same as the signature
6 of that voter in the registration files of the county. For registered
7 voters casting absentee ballots, the date on the return envelope to
8 which the voter has attested determines the validity, as to the time of
9 voting for that absentee ballot if the postmark is missing or is
10 illegible. For out-of-state voters, overseas voters, and service
11 voters stationed in the United States, the date on the return envelope
12 to which the voter has attested determines the validity as to the time
13 of voting for that absentee ballot. For service voters stationed
14 outside the United States, the date on the return envelope to which the
15 voter has attested determines the validity as to the time of voting for
16 that absentee ballot unless there is an affidavit included with the
17 ballot in accordance with section 3 of this act, in which case section
18 3 of this act determines validity with regard to the time of voting.
19 For any absentee ballot, a variation between the signature of the voter
20 on the return envelope and the signature of that voter in the
21 registration files due to the substitution of initials or the use of
22 common nicknames is permitted so long as the surname and handwriting
23 are clearly the same."

24 Renumber the sections consecutively and correct any internal
25 references accordingly.
