### Background:

The Law Enforcement Officers' and Fire Fighters Retirement System Plan 1 (LEOFF 1) provides retirement benefits to full-time, fully-compensated law enforcement officers and fire fighters employed by the state, cities, counties, and special districts and who were first

employed by the state before October 1, 1977. LEOFF 1 provides comprehensive pension, disability, and medical benefits to about 8,000 retirees and 1,000 active members.

The spouse of a retiree of LEOFF 1 is eligible, upon the retiree's death, to receive a survivor benefit for life equal to the retirement allowance received by the retiree. In order to be eligible for this automatic benefit, the spouse must have been married to the LEOFF 1 member for one year prior to retirement. An ex-spouse of a LEOFF 1 member is not eligible for this survivor benefit except in the rare situation where the ex-spouse had been married to the LEOFF 1 member for at least 30 years, including at least 20 years prior to retirement, and where there was a court order prior to 1980 providing the survivor benefit to the ex-spouse.

A spouse that a LEOFF 1 member marries after retirement is also not eligible for the automatic survivor benefit. If a LEOFF 1 member marries after retirement, a member may instead choose to actuarially reduce their retirement benefit and have a portion of their benefit continue for the lifetime of their spouse after they die. This optional, actuarially-reduced survivor benefit is not available to LEOFF 1 members if their retirement benefit is already divided due to a property division order from a previous divorce.

---

**Summary of Bill:**

LEOFF 1 members may choose a reduced benefit plus a survivor benefit for their post-retirement marriage spouse if their benefits are already subject to a property division obligation. The Department of Retirement Systems must adopt rules to permit members to select this survivor benefit option no later than July 1, 2005. A member must select this option within one year of the rules being adopted, if married prior to the effective date of the rules, or within one year of his or her marriage.
