HOUSE COMMITTEE ON STATE GOVERNMENT OPERATIONS & ACCOUNTABILITY

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 8 members: Representatives Haigh, Chair; Green, Vice Chair; Clements, Assistant Ranking Minority Member; Hunt, McDermott, Miloscia, Schindler and Sump.

Staff: Kathryn Leathers (786-7114).

Background:

State law provides that honorably discharged veterans receive preference in public employment. For some public employment positions, applicants must take a competitive examination. In those cases, preference is given to veterans by adding a certain percentage to the passing mark, grade, or rating of an examination. When scoring competitive exams, the state, including all of its political subdivisions and municipal corporations, must give the scoring criteria status (preference), as provided for in statute, to qualified veterans.

Summary of Substitute Bill:

The language identifying the entities that are required to give eligible veterans the statutory scoring preference when scoring civil service competitive examinations is modified to state that all agencies and private contractors that administer such examinations must give veterans the statutory scoring preference.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed.

Testimony For: Contractors who administer the civil service examinations are neglecting to give the veterans their preference points. This is a house-keeping bill and doesn't cost any money. The bill just brings private contractors in line with what most of the other agencies are already doing. This bill does not change who is eligible for the preference points.

Testimony Against: None.

Persons Testifying: Gary "Frosty" Husley, Veterans of Foreign Wars.

Persons Signed In To Testify But Not Testifying: None.
